# TEAM B7 (DAVE MAXON & JOHN WEGRZYN) INCREASE THEIR LEAD OVER 2ND PLACE B9 (GREG HAIGH & MIKE KOVE) BY THREE POINTS WITH OUR FINAL ROUND TONIGHT!!!

## **B7: Dave Maxon (44) / John Wegrzyn (49):**

Dave has had three nice rounds in a row, coming in with a nice (44) in week 17. Dave played bogey golf on 10 & 11 and then nailed a par on 12. Then back to back doubles on 13 & 14 did the most damage to his round. He made a nice recovery with bogeys until #18 where he nailed his second par. Nice round Dave. John has been shooting decent but had a tough round in week 17 as he comes in with a (52). #10 cost him a double and he looked like he got it together with a bogey on 11 and par on 12. Then back to back doubles on 13 & 14 put another dent into his score. One more bogey on 15 and then the

bottom dropped out. He took a quad on 16, triple on 17 and double on 18 to finish on a sour note. Good try John.

## **B8: Walter Wnuk (55) / Paul McWhinnie (48):**

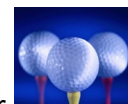

Walter continues to improved staying in the 50's for the last several weeks. Walter shoots a (55) with the 10th and 11th taking a chunk out of his round with a double and triple. He then got bit by another double on 12. Hole 13 clipped him for a quad. He put bogeys on the card on 14 & 15 before getting stopped by another double on 16. The final two holes did the rest of the damage with back to back triples. Nice try Walter. Paul continues to shoot in the

40's, this week coming in with a (48). Doubles plagued his round on 5 holes costing him the extra 10 shots. He nailed a par on the #1 handicap hole #17. The rest of the holes posted bogeys. Good effort Paul.

## **B9: Greg Haigh (46) / Mike Kove (52):**

Greg got back into the forties as he posted a (46) in his round in week 17. Greg made four doubles that kept his round in the mid forties. He notched 2 pars, one on 12 and the other on 15. He made bogeys on the balance of the holes. Good effort Greg. Mike went up 4

*continued below left*

strokes from last week and comes into the clubhouse with a (52). Three triples did the most damage to his round. He posted them on 11, 13 & 14. He added a couple of doubles to the card, one on 16 and 17. The balance showed bogeys. Nice try Mike. Mike and Greg are three points behind Dave & John as we head into the final night of league play.

## **B1: Ken Kelchner (41) / Denny Obenauer (46):**

Ken was on fire last week and put together a round that I was always use to seeing, posting a (41). Ken nailed pars on 10, 14, 15 with some nice shot making and putting. Ken posted bogeys on the rest of the holes. Nice shooting Ken. Denny likewise has been

playing steady and comes in for the second week in a row in the forties. Denny shoots a (46) and had one tough hole that got him for his only double. Denny took the double on 10 and then jumped on the bogey train the rest of the round. Good shooting Denny.

## **B2: Steve Miramonti (48) / Kurt Lorenger (57):**

Both players left with three holes to play so the first three holes were calculated with their handicaps costing both much better rounds. Steve played bogey golf most of his round with the exception of 14 that cost him a triple. The first two holes were doubles based on his handicap. Good try Steve. Kurt also got bit by the handicaps as he too took doubles

on the first two holes. But the most damage came on 13, 14, 15, 17 & 18 where he posted triples. A valiant effort Kurt.

## **B3: Ernie Danos (48) / Steve Fleck (54):**

Ernie took a triple on 10 and triple on 17. He added a double on 14 and posted bogeys on the balance of the holes. Ernie shoots a (48). Good effort Ernie. Steve also struggled in week 17. He took a quad on 10 with triples showing up on 14 & 18. The 11th, 13th and 15th got him for doubles. He bogeyed three holes. A valiant effort Steve.

**KEN KELCHNER POSTS THE BEST ROUND IN THE 'B' FLIGHT SHOOTING A (41). DAVE MAXON HAD ANOTHER NICE ROUND COMING IN WITH A (44). GOOD SHOOTING GUYS!!!**

**B4: Larry Ball (53) / Norm**

**Giraud (51):** Larry was concerned with getting ill from the nasty weather we had towards the end of the night. He missed three holes and his card was calculated with his handicap. Two holed beat him up with triples, #14 and #17. He added 3 doubles that didn't help his round at all. Larry finished with a (53). Nice try Larry. Norm did stay and finish and comes in with a (51) knocking off 4 strokes from last nailed a par on 10 but had his fair share of problems on 14 and 17 that cost him triples. He took doubles on 11, 13, 15 & 18 that did the rest

of the damage to his round. Good try Norm.

**B5: Ron Corfield (55) / Erv**

**Rock (60):** Three holes did the most damage to Ron's round in week 17. He took 5 extra shots on 10 and added a quad on #17. Ron notched three bogeys on 11, 13 and 16 with doubles capping off his scoring on the rest of the holes to finish with a (55). A valiant effort Ron. Erv has been nursing an injury and it seemed to get the best of his round as he comes in with a (60). Holes 10, 11 & 12 cost Erv triples on all three After a bo-

gey on 13, Erv took doubles on the next three holes. He finished the last two holes with an extra 9 shots to cap a tough round. Good effort Erv.
