Three doubles took their toll on his round and he will look to rebound in week 5. Still a decent round Pat. Freddie also went up in strokes, adding 6 strokes as well. Ray found only (1) par out of the 9 holes played. Ray played bogey golf most of his round, adding on 1 and 6. Good effort Ray.

A5: Andre Viger (41) / Dennis

McQuade (49): Andre's worse round so far has been a 44 three weeks ago. He continues

to play well and this week was no exception. Andre played par golf on 5 of the nine holes and was spot on with his putting, which can usually make or break a  round. In this case it worked in Andre's favor. Andre's only double came on the hole #3. Good round Andre. Dennis has been up and down in score so far this year. He went up five strokes from last week round. Dennis found his  most trouble on hole 1, the par three 7th and the par 4 - 9th. He posted bogeys on the rest the holes. A very good effort Dennis.

Please continue to keep Ken in your prayers as he had surgery last week to remove a cyst under his arm. Ben Newman subbed for him and very nice Ben nailed (5) pars along the way in his round. Ben got stung by a double on hole #1 and the other double on hole #9. Very nice shooting Ben. Caleb has been subbing the last three weeks and is staying in the forties, coming in a stroke better than last week. Caleb found (5) pars in his round, Two holes did the damage to his round. A9: Bill Gaunt (42) / Steve Ciaramitato (sub Walter Wnuk) (57):

This is Bill's second week back and posted a nice score in week 4 competition. Bill nailed 4 pars in a row, starting on 1 thru hole 4. He added one more par, this on the par 3 seventh. Back to back doubles on holes 5 and 6 kept Bill from coming in under 40. Good round Bill. Steve is still recovering from a chest injury and Walter Wnuk subbed for him. Walter had some major trouble on the par 5's as he mad triple on one and quad on the other.

A7: Nate Hood (51) / Trevor Vallus (48):

Nate had some lower 40's round weeks round Nate found on hole #8. Two doubles, were posted on the par 5-hole 2 and the par 5-hole 5. The other major damage was done by two triples that did his round in. A valiant effort has been for a few he got the from his yesterday on June. He has been diagnosed with some bulging discs that will keep him out of the league for the rest of this year. Please continue to keep him in your prayers as he is in the process of finding out which avenue the doctors want to proceed with.

He nailed a birdie on hole #7 to help his round out. Two more couple did the rest triples and more doubles of the damage. Good effort and try Walter.

A1: Wayne Davidson (37) / Warren Hood (43): Both players played outstanding this week and in so, back after in 2nd doing vaulted into 1st sitting place for only a week. Wayne nailed four pars in his round of 1 over, and posted back to back birdies on 7 & 8. The only way he didn't par the course was due to three bogeys that were only offset by the birdies. Great shooting Wayne. Warren likewise played a pretty decent round. The 2nd hole did triple damage him from possibly breaking into the upper 30's. Warren nailed four pars keeping the balance of the holes to bogeys. Nice round Warren.

TIPS FOR YOUR GAME

Use Your Body For Power

Every good golfer knows that power comes from the body, not the arms. To learn to power the club with your body instead of your arms and hands, put the club behind the ball at address, with your body in a dead-stop position. Without taking a backswing, try to drag the ball into the air. If you're a player who uses his or her hands to control the club, you'll probably struggle at first. However, you'll quickly find that once you start moving the club with your body, you'll begin to get the ball in the air more consistently. This helps you turn fully through the ball on the downswing.
