## TEAM B3 (DALE & SHANE LOHR) CONTINUE TO LEAD IN THE 'B' FLIGHT WITH A 6 POINT CUSHION OVER TEAM B8 (CORY ROUTHEAUX & WYATT COE)!!!

### **B5: Ernie Danos (50) / Steve Fleck (55):**

Ernie continues to post the low 50's rounds as he comes in on that number. He made triples on 1 & 3 with doubles on 2 & 5. He made one more double and nailed a very nice birdie on #9. Good round Ernie. Steve posts his a mid 50's round coming in with a (55). Steve's triples showed up on 1 and 5. He added 5 doubles to go with a bogey posted on 3 to finish off his round. Good try Steve.

### **B6: Mike Alessi (48) / Bob Roth (55):**

Mike continues to trim down his rounds and posts his first round in the 40's. Mike posted a nice (48) with a pretty steady round. The first three holes did the most damage with a double on 1

followed by back to back triples on 2 & 3. Mike nailed a par on 4 and doubled three holes. He added a couple of bogeys to the card, but had a pretty decent round. Nice job Mike. Bob also continues to stay in the middle 50's rounds, coming in with a (55). The first four holes dictated the higher round as he got bit by four triples. He added a couple of bogey to go along with two doubles. Good effort Bob. Keep up the good effort.

### **B7: Ron Corfield (66) / Ryan Kretz (51):**

Ron continues to struggle to get his rounds back down in the 50's as he comes in with another mid 60's round, posting a

(66). Several holes did the damage to his round. Three holes alone cost Ron 16 extra shots on the card. Ron just could not get anything going in the round. Ron did post a couple of bogeys to help his round. A valiant effort Ron. Ryan went up a couple of strokes from his last round as he comes into the watering hole with a (51). Nice job with a par on the #1 handicap hole on the front and adding a birdie on hole number 4. His final three holes did the most damage to his round with two triples and a quad. Still an admirable round Ryan. Keep up the good work.

## DAVE MAXON LEADS THE 'B' FLIGHT INTO THE CLUBHOUSE WITH A VERY NICE [43]: SHANE LOHR & CORY A STROKE BEHIND HIM WITH (44'S). NICE ROUNDS GUYS!!!

### **B8 Cory Routheaux (44) / Wyatt Coe (48):**

Cory continues to play well as he posts his third (44) in a row. Cory notched two pars in his round as he played bogey golf on 6 other holes. He got bit by a double on #6. Nice round Cory. Wyatt is also bringing his rounds down, as he posts a (48). Two tough holes beat up his round. He took triples on 1 and 5. He made a few doubles along the way as well. No pars but Wyatt is definitely making some good progress on his rounds.

### **B1: Dave Maxon (43) / John Wegrzyn (49):**

Dave has seemed to stabilize his round some, coming in with the best round in the 'B' Flight posting a nice (43). Dave nailed pars

on 1 & 2 and added a birdie on 5. He got stung by two double. One on 3 and the other on 8. Nice round Dave. John is going up the ladder instead of down. He went up 7 strokes from last round coming in with a (49). John nailed two pars in the round. He notched them both on the par threes. The doubles didn't help his round but the final two holes did triple damage to finish it off. Good effort John.

### **B2: Larry Ball (Sub Walter Wnuk-54) / Norm Giraud (sub-Matt Zuber 48):**

Both league members were absent but each retained a sub to play in their

place. Walter subbing for Larry posted a decent (54). Walter had a couple of troublesome holes. Hole #2 clipped him for a triple, and #8 cost him 5 extra shots. Walter nailed a birdie on #7 to go with a par on #4. A few triples, one on 3 and one on 6 kept him from dropping into the 40's. Walter finished with (1) par and (1) birdie. Good try Walter. Holes 5 cost him a double and 6 bit him for a triple. Shane finished with (2) pars. Nice round Shane.

## **B4: Don Washburn Jr (51) / Brandon Gielegem (56):**

Don's work schedule interfered with the league and Don missed 4 weeks in a row, and had a tough go on his first week back after the layoff. It showed a bit as he comes in with a (51). Holes 1, 2 & 3 cost him 9 extra strokes that did his round in. He did nail pars on 4 & 7, before hole #8 finished off his round with a quad. Don finished #9 with a good par. Don finished

with (3) pars. Good effort on your return Don. Brandon continues to get bushwhacked by a couple of holes that keeps his rounds on the higher side. Holes 1 cost him a quad and 2 a triple. He posted 3 bogeys but hole 7 and 9 got him for two more triples. A very nice effort Brandon. I think at least Brandon is glad Don is back playing as his partner.

## **A7: Nate Hood (48) / Terry Allen (54):**

Nate is that close to dropping his scores back down into the lower 40's with a couple of holes each week that beat him up. The 1st par 5, hole #2 and the tough #6 jarred his round with two triples. He nailed two pars, one on 7 and one on 9. The only double on the card was on hole #4. Good round Nate. Terry is staying in the lower 50's, posting his second (54) in the league. Hole #2 and hole #3 started his downfall for score as they clipped him for

doubles. The two holes that took the most out of his round were 6 & 8, where it cost him 8 extra shots. Good effort Terry.

His demise came on hole #6, costing him a triple and hole number 9 that took him 5 extra shots to get it in the hole. Bill finished with (2) pars. Good try Bill. Kirk was on a roll with a couple of lower 40's rounds till this week, where he comes into the clubhouse with a (47), three shots higher than last week. Kirk played bogey golf most of the round, posting 7 out of nine. Kirk got bit by two doubles. One came on the first par 5, hole #2 and the second came on hole #6. Kirk played pretty steady on the other 7 holes. Good effort and round Kirk.

## **A9: Bill Gaunt (sub Caleb Gerschick-40) / Steve Ciaramitaro (sub Ben Newman-43):**

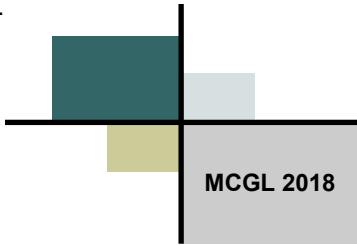

Bill was unavailable to play and secured Caleb to sub and Steve Ciaramitaro is still on the injured list and had Ben sub for him. Caleb played well coming in with a 3 over (40). Caleb posted a par on 1 and then slipped a bit with back to back

added one more double, coming on the tough #6 hole. The balance of the holes were filled in with bogeys. Good try Warren.

**A2: Brian DeRita (40) / Brent Cymbalski (41):** Brian continues to sting the ball long and straight and comes in with a 4 over (40) in last week. After a bogey on 1, Brian notched back to back pars on 2 & 3. It was four straight bogeys with several missed par putts. Brian finished on a positive note, nailing a par and birdie on the final 2 holes to help his round. Brian finished with (2) pars and (1) birdie. Nice shooting Brian. He finished with a double on 9. Ken finished with (4) pars. Good effort Ken.

## TIPS FOR THE GAME

### ~~CHIPPING~~

#### **Ball Position Is Critical**

in chipping, ball position is very important. Did I say it's very important? Well, it really is!

The **main focus in golf chipping** is to strike the ball solidly. To do this, the ball must be placed (for me) just right of the right foot (or left of the left foot - if you are left-handed). I line the ball

up to my right little toe. This will give me solid contact. Now, all I have to do is find the line I must hit the ball on and do it.

#### **Don't Blade It (Chipping)**

Your left wrist (for right-handed players) should never move during the chipping process. If it does you will blade the ball.
