A7: Ken Huyghe (44) / Abe Pomeroy (53): The previous two weeks saw Kenny shoot back to back 40's, but stumbled some in week 8 as he limps in with a (44). Hole #14 took the most out of his round costing him a triple bogey. He added a double on #12. He notched three pars in the round to ease some of the bleeding in the round. Good try Ken. Partner Abe put together another decent round as he posted a nice round of (53), dropping off 8 strokes from last weeks round. He also reduce his handicap by one stroke. Hole 16 did the most damage to his round as he added an additional 4 extra shots on the card. He made two triples to go with 3 doubles. Abe nailed a par on the tough number 10 that helped his round some. Still a nice round Abe. Keep up the good shooting.

A8: Steve Miramonti (49) / Rick Berschbach (49): Steve comes into the watering hole with the same score he had a couple of weeks ago. Steve posts a (49) for only his second round of the season. Two triples on the card did the extent of the damage to his round, as he posted them on #12 and #18. Steve added a few doubles and notched his only par on 13. All in all a decent round Steve. Rick seemed to struggle in his round as he posted a (49) in week 8. Rick got into double trouble on most of the holes. He posted 5 doubles that added the additional 10 strokes on his card. Rick was unable to find any pars in his round. Good try Rick.

#10. He notched a par on 11 and had a couple of bogeys put on his card. Fourteen did triple damage again . Wayne added a double on 18 and finished with his second par on 15. Nice effort Wayne. We continue to keep Pastor Hood in our prayers as he was in Cleveland for some testing on his heart. We are believing in positive results and a clean bill of health when he returns for week 9. Doug Busam filled in as his sub in week 8. It has been a few years since he has been able to play as he was having some arm issues. The first hole dictated a tough round as he posted a quad. He added a second quad on #17 and two doubles to up his score more than he wanted. Doug added a 5 bogeys that hurt his card even more. Doug came into the 19th hole with a round of (52). Good try Doug.

A1: Wayne Davidson (47) / Sub Doug Busam (52): Wayne went up six strokes from last week as he comes into the clubhouse with a (47). Wayne got started in the hole opening his round with a triple on

ANOTHER EXCELLENT ROUND OF GOLF TURNED IN BY 'MR GOLF' - BRENT CYMBALSKI WHO POSTED A ONE OVER ROUND OF [36] ON THE BACK NINE AT GOLDEN HAWK!!! BRIAN DERITA, BILLY ALESSANDRINI & STAN DRESLINSKI ALL COME IN WITH VERY NICE ROUNDS OF (40)!!! NICE ROUNDS BY ALL IN WEEK 8

A2: Brian DeRita (40) / Brent Cymbalski (36): Brian and Brent increase their lead in first place by 10 points. Brian continues to score well, coming into the clubhouse with a very nice (40). Brian's posted no more than bogeys on the card. He nailed four pars to go with them, therefore a 5 over round. For the second week in a row, Brent comes in under 40. This time a one over round of (36) to lead all the players in with the best round of the night. Brent nailed a birdie on #16 to go with 6 pars.

One of the two bogeys was erased by the birdie. Great  Mr. Golf - Brent Cymbalski keep on smacking that little white ball and scoring low.

A3: Ray Ressler (44) / Stan Dreslinski (40): Ray went up a couple of strokes from the last couple of rounds as he comes in with a (44) last week. Ray took doubles on 12 & 15 for his worse holes. He notched two pars and the rest of his card was filled with bogeys. Still a decent round Ray. Stan finally played a very nice round. Stan has

been struggling with some back issues of late and having some problems bringing down his scores. After a couple of weeks off, he broke out Thursday with his best round of the season. He posted a very nice (40) playing some nice golf. He nailed three pars in a row, beginning at hole 11 and ending on 13. He made his only double on 10 and nailed a birdie on 18 to reduce one of the extra s  otting Stan.

SUB BILL GAUNT LEADS THE 'B' FLIGHT INTO THE 19TH HOLE WITH A VERY NICE ROUND OF [41] ~ DALE LOHR SHOTS A (46) & LARRY BALL & ERNIE DANOS PUTS A 47'S ON THE CARD ~ NICE ROUNDS !!

B3: Ernie Danos (47) / Steve Fleck (51): Ernie notched two pars in a nice round posting his second round in the 40's for the season. Ernie came into the clubhouse with a (47), nailing pars on holes 11& 16. The most damaging hole on the card was number 17 that cost Ernie a triple. He added three doubles that did the balance of the damage to his round. Good round Ernie. We will calculate a handicap score card for Scott Graham (Mike Alessi's new partner) when he plays a round this coming week. Steve has dropped off a stroke as he posts his second (51) in a row. Steve is starting to get consistent as he and Ernie continue to maintain 1st place in the 'B' Flight. Three triples cost Ernie big time in posting a round in the 40's. Three of the toughest holes did it to his round; 10,14 & 17 were to blame. He posted his

only par on hole #12. A few doubles added to his woes but he did persevere through with a decent round.

B4: Mike Alessi (50) / Scott Graham (abs): With Dave DePiper having to bow out of the league in the second half, Mike Alessi was able to get Scott Graham to take over the spot. We will calculate a handicap after this weeks round for Scott and figure a HC for him to match up against Ernie Danos. Meanwhile, Mike put together a very nice round, coming into the watering hole with a nice (50). Mike nailed a par on hole #16. His worse holes were #11 & #17 that cost him a triple. Without those couple of extra strokes, Mike would have been in the 40's. Three doubles and the rest of the round saw bogeys. Good effort and round Mike.

B5: Walter Wnuk (55) / Tom Regal (59): Walter went up a couple of

strokes from last round as he comes into the clubhouse with a (55). Two holes took major toll on his round. He got bit by a couple of quads in his round. The first one showed up on #14 and the last one on #18. He added six doubles to do the rest of the damage. He did manage to post a bogey on the #1 handicap hole on the back, #17. Good effort Walter. Tom continues to make tremendous progress in getting his rounds down as well as his handicap. Tom comes in for the first time this season with a round in the 50's, posting a (59) in his last leagues round. He posted 7 triples that did the damage to his round. He managed a bogey on 16 and double on 15. All in all some nice improvements in your round Tom. Keep up the good work.

B6: Denny Obenauer (sub) Bill Gaunt (41) / Denny Kula (60): Denny was absent but had Bill Gaunt subbed for him. Bill had a decent round as he comes in with a (41). Bill got bit by his only double on #11. He nailed pars on 12, 14, 16 & 18. The rest of his card was filled in with bogeys. Very nice shooting Bill. Denny has been posting rounds in the lower to mid 50's since the start of the season, but struggled in week 8. Denny posted a (60), four shots worse than last week. Denny got stung by 3 quads for an extra 12 strokes. That coupled with two triples and

the damage pushed his round into the 60's. He managed only one bogey in the round, but it came on the 2nd hardest hole on the back. A admirable try Denny.
