**Team A5: Bill Marsack (HC47) / Kirk Cejmer (40):** Bill Marsack was burdened with Vertigo last week and was unable to play his round. The handicap card was used in his absence. Kirk played an outstanding round as he shoots a 5 over round of (40). Kirk had no doubles in the round, posting (4) pars and the rest bogeys. Very nice shooting Kirk.

**Team A6: Billy Alessandrini (42) / Scott Brogdon (43):** Both players played well putting low forties rounds on their cards. Billy notched a (42) as he seemed to get his driver working again. Two holes took their toll on his round. Hole #14 dragged his round down with a triple and #17 added a double. Billy nailed (5) pars that kept his round low. Nice shooting Billy. Scott comes in to the watering hole with a stroke higher than his partner, posting a (43). Scott got bit by three holes in his round. Holes number 10 & 15 got him for doubles and 17 stung

him for a triple. Scott posted (3) pars to go with a very nice birdie on the par 5—hole #18. Scott finished with a nice (43). Good round Scott.

**Team A7: Ken Huyghe (37) / Abe Pomeroy (57):** Ken continues to shoot low rounds, getting back into the 30's after a couple of weeks in the forties. Ken put a 2 over (37) on the card in week 14. Ken notched pars on his first three holes and then nailed his first of two birdies on #13. He stuck a bogey in between his next birdie that showed up on hole #15. Ken took his only double on 17 and added one more par on 16. Very nice shooting Ken. Abe had a (57) in week 14, six shots less than his previous week. Abe's card was overcrowded with doubles and triples on his card. After adding four triples to his card, Abe put a quad on from hole #14. Two doubles and two bogeys did the rest of the damage to his round. A valiant effort Abe.

**Team A8: Steve Miramonti (49) / Rick Berschbach (45):** Steve had his troubles in week 14 as he comes into the 19th holes with a (49), six shots over last weeks round. Hole number 10 took the wind out of his round as he posted a quad. He added 3 doubles that just accumulated his score. He was able to notch two pars, one on 13 and the other on 18. Good effort Steve. Rick only went up a couple of strokes from last week, posting a (45). Rick got stung by two doubles in his round. One came on hole #13 and the other on hole #18. Rick notched a single par in his round, getting one on hole #15. The balance of the round was filled with bogeys.

**Team A1: Wayne Davidson (Sub) Rusty Ellison (48) / Warren Hood (43):** Rusty had his fair share of problems subbing this week for Wayne as he comes in with a (48), 9 shots higher than last weeks sub duties. Hole #14 put a pretty big gash in his round, as he took a quad. He notched pars on 12 and 15 but added more strokes on two other holes. He made triple on 11 and double on 17. Good try Rusty. Warren comes in with a decent round of (43), dropping off 5 strokes from his last round. Warren posted (4) pars

in his round. Warren posted the pars on 13, 15, 16 & 18. Warren had trouble on two holes. Hole #10 cost him three extra shots and 17 bit him for a double. All in all it wasn't a bad round. Nice shooting Warren.

**A2: Brian DeRita (39) / Brent Cymbalski (31):** Both players continue to play extremely well posting low scores and taking quite a few points. Brian drops a stroke off last weeks round with a (39). Brian nailed 5 pars, coming on 10, 12, 13, 14 & 16. The rest of the card was filled

in with bogeys. Great round Brian. His partner put it together for the second straight week. After a par round last week, Brent brought Golden Hawk to its knees with a four under par (31) on the back nine. When I looked at his card, I started to get dizzy looking at all the circles that were marked on the card. Brent nailed birdies on 12, 14, 15 & 17. The rest of his card was filled in with pars. (5) pars - (4) birdies. Great shooting Brent. And you can't play golf-LOL

The only bright spot of his round came on hole 15 where he drained a nice birdie putt. The rest of his round was filled in with bogeys. Good effort Ray. Stan put together a decent round as he comes into the clubhouse with a (43). Stan's only double of his round came on #15. He nailed pars on 10 & 13. The balance of his card was filled in with bogeys. Good shooting Stan.

**Team A4: Dennis McQuade (47) / Eric McQuade (42):** Dennis seemed to struggle a bit as he came into the clubhouse with a (47), two strokes higher than last week. Dennis got saddled with four doubles in his round that cost him a lower score. He nailed pars on 11 and 14 to help his round. It was still an ok round despite of the tough holes that beat his round up. Good try Dennis. Eric continues to score well, coming into the 19th hole with a (42). Eric notched pars on 10, 11 and 16. He did take a double on hole #17 and balanced out the rest of his round with bogeys. Nice shooting Eric

### **Get The Ball Rolling**

If you are not chipping to get over something, then consider putting it. During chipping, you may chip to stop, check, back up, walk, or run the golf ball. While chipping, imagine tossing pennies to a specific spot. That is the image your mind should have while in the chipping

process. Once you hit the spot, how far will the ball need to roll to get to the cup?

### **Don't Blade It**

Your left wrist (for right-handed players) should never move during the chipping process. If it does you will blade the ball. Your right wrist (Right hand for left-handed players should never move.
