Team #1: Wayne D (41) / Warren H (42):

Well Wayne found a groove in week 3 posting a very nice round of (41).  Wayne bettered his round from last week by 8 shots. Wayne nailed the only birdie on hole #16 to help his round drop one of his extra strokes. He added a couple of pars in his round. His only double came on hole #17. Nice round Wayne. Warren also came alive this week as he  dropped 5 strokes off his last weeks round, posting a nice (42). Warren got clipped by his only double on hole #10. He nailed pars on 11, 13 & 15. Nice comeback from last week Warren. Wayne & Warren combined for 20 points.

Team #2: Billy Alessandrini (41) / Scott Brogdon (47):

Billy & Scott climbed into 3rd place in week three. Billy knocked off 6 strokes from last week as he comes in with a nice (41). Billy nailed pars on 10, 11 & 13. The rest of his card was filled in with bogeys, but he didn't put up any doubles in a nice round. Good job Billy. Scott relayed to me that he came down to earth in week three, adding an additional 7 strokes to his round this week as he limped in with a (47). Scott was plagued by two doubles and a triple. 

He could only muster a single par in his round and that came  on hole #16. Good effort Scotty.

Team #3: Ray Ressler (40) / Walter Wnuk (48):

Ray posted a 1 stroke difference from last weeks round coming in with a nice round of (40). Ray took his only double on #14. He reduced one of the strokes nailing a birdie on #18. He added three pars **continued below left** 

in his round, on #10, 16 & 17. Nice round Ray. Walter also dropped off a stroke from last week, as he comes into the clubhouse with a (48). Walter was sailing along in his round, posting a par on #11 and bogeys up until he got stung by some penalty's on his final two holes, costing him an extra 8 shots that squashed his round. Still, progress was made reducing the strokes from the previous week. Good shooting Walter. 

May God Smile On You Today

Team #4: Andre Viger (36) / Rusty Ellison (45):

Andre bought his 'A' game to the course in his match  after struggling in his pre-nine round. Andre came in with a 1 over round of (36). Andre found bogeys on 14, 16 & 18, but removed two strokes with birdies on 12 & 13. He nailed (4) pars to go with the birds. Rusty had some struggles in his round. He got bit by a triple on 10 and doubles on 15, 17 & 18. Rusty had some promising moments in his round notching (4) pars, to keep his round in the mid forties. Good effort and try Rusty.

Team #5: Dennis McQuade (46) / Eric McQuade (38):

Dennis comes into the 19th hole with a (46). Hole number 10 gave him the most trouble as he posted a triple on the hole. He added a double on 14 and bogeys on the balance of his round. Dennis notched a single par in his round on hole #12. Good effort Dennis. Eric posts the second best round of the night as he coasts into the clubhouse with three over par round of (38). Eric managed to nail a birdie on hole #18, that reduced one of the bogeys he took in his round. Eric played steady, notching pars on 13, 14, 16 & 17. All in all a very nice

three over. Good job Eric.

Team #6: Ken Huyghe (40) / Bill Gaunt (43):

Hole number 10 got into Ken's round costing him two extra shots as he comes into the clubhouse with a nice round of (40).. He proceeded to help his card nailing four straight pars, from #11 thru #14. He would add one more par on the 2nd par three, but put bogeys on his card in three of the last four holes. Very nice round Ken. Bill Gaunt comes in with a (43). Bill was victim to two doubles in his round. He put one on the card on hole #13 and the other on hole #18. Bill managed (3) pars to go with 4 bogeys. Good round Bill.

Team #7: Bill Marsack (40) / Kirk Cejmer (42):

Bill comes into the clubhouse with one of his best rounds as he posted a 5 over (40) in week 3. Two holes took the toll on his round with doubles. Hole #14, and Hole #18. Bill notched (6) pars in a very nice round. He only had 1 bogey, that came on #12. Very nice shooting Bill. Kirk also posted a nice round, coming in with a (42). Kirk also got bit by a couple of doubles. One coming on the par 3-16th and the other on #10. Kirk managed (2) pars, one on 12 and the other on 17. Kirk nailed a birdie on hole #15, to reduce his score by one. Good job Kirk.

Team #8: Ernie Danos (45) / Steve Fleck (59):

Ernie put together a decent round in week 3 as he comes into the watering hole with a (45). The first two hole did the extent of the damage, as he got stung by a triple on 10 and double on 11. He bogeyed his way to hole #14 and then put together back to back pars on 15 & 16. He finished with back to back bogeys. Still a nice round Ernie. Steve started with a bogey on #10. After a double on 11, Steve put down another bogey on 12. Holes 13 & 14 took a toll on his round, as he added 5 more extra shots. One more bogey and a double and then the bottom dropped out. Hole

17 and 18 cost Steve another 12 extra strokes that pretty much decimated his round. A valiant effort Steve, who finished with a (59).

Team 9: Steve Miramonti (41) / Rick Berschbach (45):

Steve had a very nice round matching his opponents score as he posted a very nice (41). After a couple of bogeys on 10 & 11, Steve notched three straight pars. He added one more par, that coming on hole 18. Steve took his only double on tough number 17. Steve finished with (4) pars. Good round Steve. Rick fared a bit worse, coming in with a 46. Three doubles did

his round in. He put one on the card on 11, added another on 15 and finished the doubles with 18. Rick managed three pars in his round, posting them on 10, 13 & 17. A very nice effort and try Rick.

Scripture Verse for 6/18:

Psalms 103: 13

Like as a father pitieth his children, so the Lord pitieth them that fear him.

Team #10: Mike Alessi (54) / Dave Benson (51):

Mike comes into the clubhouse with a (54) for the second week in a row. Mike's card was riddled with doubles for the most part. He bogeyed #16, but took a triple on tough number 17. The #10 hole did more damage with a quad. The balance of his card was filled in with doubles. Once we get a few doubles off his card, he will be bringing down his scores and handicap. A valiant effort Mike. Dave dropped off a stroke from last week as he comes in with a (51). A quad and a triple did the most damage to his round. He took the quad on 10 and triple on 14. Dave posted 5 bogeys and put doubles on the card on 16 and 18. Good try Dave.

Team 11: Brian DeRita (38) / Brent Cymbalski (40):

Brian continues to play exceedingly well and comes in with the second best round of the night, posting a 43 over (38). Brian put a par on 15 & 16 before dropping a stroke with a bogey on 17. He then proceeded to nail pars on 18, 10 thru 13 before taking a double on 14. Brian nailed 7 pars in a very nice round. Good shooting Brian. Partner Brent who has been tearing up the front and back nines, limps in with a 5 over (40) in week 3. Brent's round was split up as he posted 4 pars and 5 bogeys. Still a decent round Brent. Good effort Brent.

I have a feeling that Brent will be out for revenge against the front 9 this coming week.

Team #12: Larry Ball (49) / Norm Giraud (44):

Both Larry and Norm dropped of strokes from last weeks rounds. Larry knocked off 6 and Norm a whopping 11. If Larry can reduce the amount of doubles in his round, he will be shooting in the low forties. Last weeks cost Larry 8 extra shots on 4 doubles and 3 more on a triple. Larry notched his only par on hole #16 and finished with a round of (49). Norman really turned things around coming into the 19th with a great hole great round of (44). Norm nailed three pars in his round. Posting them on 13, 15 & 17. Three doubles did the significant damage to his round on holes 12, 14 & 18. Still a great round Norm.

Tiger Woods famously received a putting tip from his fellow Tour player Steve Stricker, which dramatically improved his putting drastically that season. A few weeks ago, a golf friend of mine pointed out to me how I would put the ball too close to my putting stance. That simple pointer changed how I putt, and even to this day after so many years, I have never forgotten this piece of advice. I didn't realize back then – but this was the cause

for the inconsistency of my putts. If someone gave you any pointers or tips, do it at least once. Worst case scenario, it doesn't work for you, and so be it. It will only waste a fraction of your time.
