IN THE LAST COUPLE OF WEEKS WE HAVE HAD SOME SHUFFLING AT THE TOP~TEAM #9 (BILL MARSACK & KIRK CEJMER) REGAIN THE TOP SPOT WITH TEAM #4 (ANDRE VIGER & BRENT CYMBALSKI) TWO POINT BACK!!

Team #10: Denny Obenauer (45) / Steve Ciaramitano (HC-65): Steve was unable to make league night and a handicap card was used to calculate against his opponent. Denny posted a nice round of (45). Denny played bogey golf most of his round. He bogeyed #10 and #11 and nailed a par on #12. He bogeyed his way to number #15, where he took a triple. I am thinking the woods may have come into play on that hole. He posted his second double and then finished with a bogey on 17 and finished with a par on #18. Good finish and nice round Denny.

Team #11: Dave Benson (45) / Mike Alessi (59): Dave posted a decent round of (45) in last weeks round. Dave nailed back to back pars on #10 & #11 before putting a bogey on the

card on #12. He bogeyed his way to hole #15, where he got stung by a triple. He parred #16 and then finished with a bogey on #17 and doubled number 18. Still a decent round Dave. Mike had his fair share of problems as he limped in with one of his higher scores in the last several weeks. Mike came into the clubhouse with a (59). Mike's round was crippled with three triples and three quads that pretty much dictated a high round. He nailed lone par in his round on #16. A valiant effort Mike.

Team #12: Mike Kove (55) / Rand Hewitt (63): Mike posted his second highest round since week #4, as he comes into the 19th hole with a (55). Doubles plagued his round as 5 holes clipped him for the extra 10 strokes. Holes #13 and #14 did the most damage as 13 got him for a quad and 14 gouged

him for a triple. A good try Mike. Rand came to the league, not feeling well to begin with, so his round suffered quite a bit as well. Just a note, Rand has come down with covid, so please keep him in your prayers for that. Rand's round was riddled with two quads and three triples that put his round in the 60's. Rand's worst hole came on #14 that cost him 6 extra strokes over the hole par. Rand finished with a (63). Good effort and try Rand. The league has you in their prayers.

BRENT CYMBALSKI POSTS THE BEST ROUND OF THE LEAGUE IN WEEK 14, AS HE COMES INTO THE CLUBHOUSE WITH A 1 UNDER PAR [34]. HONORABLE MENTION TO WAYNE DAVIDSON WITH A (39). NICE ROUNDS!!

Team #13: Mike Littleton (40) / Justin Littleton (43): Mike continues to strike the ball well and his scores certainly reflect that. Mike comes in with the third best round of the night posting a 5 over par (40). Two holes kept Mike from busting back down into the thirties as he took double bogeys on #10 & #11. He added one more bogey hole, #14 and posted pars on the other 5 holes. He parred out from #15 to #18 for a nice round. Justin has been waiting to ambush someone, and that he did in week 14. Justin put together a very nice round of (43). Justin nailed two pars in his round. He nailed one on #10 and the 2nd one on #18. His round was bogeys from 11 to 16, where #17 clipped him for his only double. Good shooting Justin.

#14: Ernie Danos (47) / Steve Fleck (63): Ernie shoots his second (47) in a row to continue to shoot in the forties. Back to back doubles started his round before nailing a par on the first par three, that also netted him the closest to the pin golf balls. He stuck a bogey on #14 between doubles on #13 & #15. He nailed his second and final par on #16 before finishing with a bogey on #17 and double on #18. Good effort Ernie. Steve Fleck went up 14 strokes from his decent round last week as he limped in with a (63). Steve's only highlights to his round were back to back bogeys on #15 & #16. The opening quad on #10 pretty much set the stage for a high round. He posted back to back triples on 11 & 12. Hole #14 cost him a triple as did

the final two holes. Good try Steve.

Team #2: Walter Wnuk (46) / Ray Ressler (42):

Walter has posted back to back rounds of (46) that has helped bring down his handicap the last few weeks. Walter got bit by two doubles and a triple that cost him a chance for a much lower round. Holes #10 and #17 did the double damage and one of our favorite holes, #14 did the triple damage. Walter nailed pars on #16 and #18 to help ease some of the pain from the other holes. The balance of his round were filled in with bogeys. Nice shooting Walter. After a couple of weeks in the thirties, Ray climbed back into the forties, posting a (42) in week 14. Ray got bit by one double bogey which came on hole #11. He notched three pars in his round, posting them on 13, 15 and 16. The balance of the holes were bogeys. Nice round Ray.

Team #3: Wayne Davidson (39) / Warren Hood (42):

Wayne put together a very nice round of (39), posting the second best round of the night. Wayne nailed pars on #10 & #11, before jumping on the bogey train for

three holes. He nailed back to back pars on 15 and 16 before dropping a double in on #17. He finished on a very nice note draining a birdie on #18. Great shooting Wayne. Warren also posted a nice round, coming into the 19th hole with a (42). Warren played bogey golf on three of the first four holes, notching a par on #12. Hole #14 took the wind out of his sails, as it cost him a dreaded quad. He dropped one of the extra strokes from fourteen with a nice birdie on #15. He continued his good fortune with pars on the next two holes. He finished with bogey on #18. Still a very good round Warren.

Team #4: Brent Cymbalski (34) / Andre Viger (41):

The real Brent Cymbalski showed up in week 14, posting the best round of the night, a one under par (34). Brent got on the par train from hole #10 thru hole #13, before nailing back to back birdies.

He nailed birdies on 14 & 15. Brent nailed a par on #16 before lucky #17 took its toll with a double. He finished on a birdie on #18 to remain under par. Great shooting Brent. Andre continues to shoot well as he comes into the clubhouse with a nice (41). Andre's round consisted on bogeys and pars. He bogeyed 10, 11, 13, 14, 17 & 18. The balance of his card was filled in with three pars. Very good round Andre.

Team #5: Rick Berschbach (43) / Chris Dickerson (44):

Both players had decent rounds in week 14. Rick comes into he watering hole with a nice (43). He nailed a par on #10 before #11 clipped him for a double. He nailed a par on ***continued below left***

#12 and then climbed aboard the bogey train for the next three holes. Hole #16 got him for a double but was followed up with a par on tough #17. He finished on a low note with a bogey on #18. Good round Rick. Chris posted his second best round in the second half with a nice (44). Chris had a bit of double trouble on #10 and #11 before leveling out a bit. He bogeyed #12 and then nailed pars on his next three holes. He got back into double trouble on #16 and #17 before finishing his round with a nice par on #18. Very nice shooting Chris.

Team #6: Larry Ball (52) / Norm Giraud (56): Larry went up a couple of strokes from last week as he comes in with a (52). Larry put bogeys on the card on 10, 11 & 12 before stopping them with a par on #13. The next two holes did the most damage to his round with back to back quads. After a bogey on 16, Larry finished on sour notes with a double on 17 and triple on 18. Good try Larry. Norm had his fair share of problems too. Norm made his way into the clubhouse with a disappointing (56). The triple on 10 was followed up with a double on 11. He bogeyed #12 and then disaster struck his round with a triple on 13 and quad on 14. He doubled 15 and salvaged a bogey on 16. The final two holed did the balance

of the damage with a triple on 17 and double on 18. A valiant effort Norm.

Team #7: Steve Mitchell (56) / Kyle Kapa (62): For the second straight week, Steve came into the clubhouse with a (56). Holes #10 and #11 did massive damage to start. #10 cost him a triple and #11 a quad. After a double on #12, Steve made back to back triples on 13 & 14. He bogeyed his next three holes before finishing with a triple on #18. Good effort Steve. Kyle just had one of those nights that if anything could go wrong, it did. A quad on 10 and a triple on 11 got his round off on the wrong track. His next two holes cost him an additional eight shots, with back to back quads. His final four holes added more additional strokes. He made three triples and a double on #18. Kyle ended up shooting a (62). A good try Kyle.

Team #8: James Allen (49) / Adam Grawe (60): James got bit by some triple trouble on holes #10 and #12 that pushed his round up

into the upper forties. James came in with a (49). The next three holes were a bit easier on his round as he made bogeys on 13, 14 & 15. He got stung by one more double, this coming the par 3 - 16th. He finished off the round with back to back bogeys on the #1 and #2 handicap holes. Good effort James. Partner Adam, had some troubles this week and elevated his score by 10 strokes from the previous week. Adam limped into the 19th hole with a (60). Hole number 10 clipped him for a double, which led to #11 that got him for a triple. The 12th hole, the first par three added another double to the round. Hole #13 and #17 did the most extensive damage, as he put quads on the card for both holes. He add doubles on 14 & 15 and finished his round with triples on 16 and 18. Good effort and try Adam.

Team #9: Bill Marsack (41) / Kirk Cejmer (42):

Both players played well in week 14, and after dropping into second for a week, they regained first place by two points. With (4) weeks remaining, three teams are in the hunt for the top spot as Team #3 is only 7 points out of first. Bill has been playing some very nice golf and comes into the clubhouse with a very nice (41). Bill had a little hiccup on #10 posting his only double. He jumped on a bogey train for 3 holes, taking him to #14 where he broke off the train and dropped in a par. After making a bogey on 15, Bill nailed back to back pars on 16 & 17 only to finish off the round with a bogey on 18. A very nice round Bill. Kirk duplicated his round from last week, coming in with another round of (42). Kirk had double trouble on three holes. He posted them on 11, 14 and 18. He nailed pars on 12 and 13 and nailed a birdie on #15 to reduce his round by one extra stroke. He drained one more par, this coming on #16 and finished off his other holes posting bogeys. A very nice round Kirk.

GOLFING TIPS - PUTTING

- 1. LEAD WITH YOUR LEFT**
If you shot a free throw with your right hand only, you'd realize you need your left hand as a guide. The same is true on the greens: The left hand is the direction hand, and it's just as important as the right. Practice putting left-hand-only (*right*), or have someone hold a club in front of your hands on the target line. Bump the grip with the back of your hand, not your fingers.

- 2. THINK ROLL, NOT HIT**
The key to distance control is to roll the ball, not hit it. To do this, take an open stance, your weight slightly favoring your left side and your putter shaft leaning toward the target. The open stance makes it easier to feel the left hand going out and down the target line. The forward lean offsets the 4 degrees

of loft I recommend for a putter and helps the ball roll smoothly. When you make the stroke, keep the putter head low to the ground past impact. The putter will ascend slightly, but don't try to hit up on the ball -- whoever told you to do that was wrong, because it makes the ball hop.
