NEW LEADERS OF THE PACK AS TEAM A6 (DAN WICKER & JOHN GREWE) JUMP AHEAD OF TEAM A1 (KIRK CEJMER & BILL MARSACK) BY 2 POINTS!! THREE TEAMS ARE TIED FOR THIRD!!!

Team #A5: Walter Wnuk (50) / Ray Ressler (41):

Both par 5's took the most toll on Walter's round, posting a double on #2 and a triple on #5. He added another triple on #9. Walter posted a par on #3 with bogeys on the balance of his round to shoot a (50). Good effort and round Walter.

Ray continues to play steady in the lower forties, coming in with a (41), dropping three strokes off last weeks rain shortened round. Ray notched four pars in his round. The other 5 holes were filled in with bogeys. Nice round Ray.

Team A6: John Grewe (43) / Dan Wicker (47):

John continues to stay in the low forties as he comes in with his

third 43 of the season. Two doubles did the damage keeping him from busting into the 30's. Hole #5 and cost him hole #9 four extra shots. He notched four pars in his round. Still a nice round John. Dan got bushwhacked on hole #1, as it cost him three extra shots. He nailed pars on #2 and #8. Hole number 5 bit him for a double and the balance of the holes in his round were filled in with bogeys. Dan finished with a (47). Good try Dan.

Team #A1: Bill Marsack (45) / Kirk Cejmer (45):

Bill and Kirk drop into 2nd place, 2 points behind Dan and John after last

weeks round. Bill came down 2 strokes from last week, but three doubles crippled his round from getting down into the lower forties. Holes # 2, #6 and #9 did the damage that kept him from a much better round. Bill notched three pars in his round of (45). Good effort Bill. Kirk took back to back doubles on #1 and #2 and added one more on hole #6. Kirk put a par on the card on #7 and reduced one of his extra strokes with a very nice birdie draining a 12 foot putt on #9. Kirk like his partner finished with a (45). Good try Kirk.

Team #A2: Keith Nickel (49) / Andre Viger (39):

Keith contin-

WARREN HOOD LEADS THE ENTIRE LEAGUE INTO THE CLUBHOUSE WITH A VERY NICE 1 OVER PAR [37]~~ANDRE A COUPLE SHOTS BEHIND WITH A NICE (39)~~NICE SHOOTING BY BOTH PLAYERS!!!

ues to hover in the upper 40's bracket, coming into the 19th hole with a (49). Back to back quads did his round in. He got stung on holes # 6 and again on extra eight holes. He #2 and again five holes were filled with bogeys. Good try and effort Keith. For the second time in three weeks, Andre charged into the clubhouse with a very nice 3 over (39). Andre's card was ho-hum, posting 6 pars and 3 bogeys. Very nice shooting Andre.

Team #A3: Wayne Davidson (47) / Warren Hood (37):

The last two weeks for Wayne have been a struggle, but he did drop three strokes off

last weeks round. Wayne limped in with a (47) in last weeks round. Three doubles and a quad were the culprits to his higher than normal rounds that he ed in the early the season. He nailed four pars, but with the extra strokes on four holes it was hard for him to recover. Still a valiant effort Wayne. Warren led both flights into the clubhouse with the best round honors of the night. Warren was hot with the putter, nailing back to back birdies on holes # 6 and #7. A double on #1 and bogey on #4 cost him an even par round or even a possible 1 under. Still a great round Warren. Very nice

shooting.

Team #A4: Justin Littleton (49) / Mike Littleton (46): Justin had all sorts of problems on the front 9 last week, coming in with a (49). He nailed pars on #1 and #2 before things went south. He stuck a double between bogeys on 3 and 5 but then trouble cropped up fast. He posted three doubles starting on #6 and ended on #8. The final hole did triple damage to his round. Good try Justin. Mike only found double trouble on hole #3 and hole #6. He nailed his only par on #9 and posted bogeys on the rest of the holes in his round. Mike came into the clubhouse with a (46). Not a typical round for him. Good try.

TEAM B8 (MIKE RAJNISH & CHAD WOOLMAN) INCREASE THEIR LEAD TO 9 POINTS OVER TEAM #B5 (DAN D'AMATO & JOE DEPASQUALE) WITH THE 'B' FLIGHT GETTING READY FOR THEIR FIRST POSITION ROUND IN WEEK 8!!!

Team #B4: Norm Giraud (57) / Larry Ball (55): Both players went up in strokes from their previous rounds played. It looked pretty tough for Norm as he took doubles on #1 and #2 and then put a triple on the card on #3. Hole #5 did quad damage, and most of his other holes were ridled with doubles. No pars were present on the card and the only hole that didn't have a double or triple on it was hole #7. An admirable try Norm. Larry didn't fair much better as he limped into the watering hole with a (55). Hole #1 and hole #9 clipped Larry for quads. He added a triple on #6, had doubles on the rest of his round except for both par 3's. It was a good effort and try Larry.

Team #B5: Joe DePasquale (59) / Dan D'Amato (43): Joe is still trying to get back into golf as he has been out of it for a while.

Joe got beat up by (5) triples. His only relief was a bogey on the par three 7th. He added a couple of doubles and finished his round with a (59). A  Dan dropped off 6 strokes from last week coming in with third best round for the 'B' flight, shooting a (43). Dan nailed three pars in the round, posting them all in a row. He started the par run on #3 and finished them on #5. He only got bit by one double and the balance of his card was filled in with bogeys. Nice shooting Dan.

Team #B6: Marc Blair (64) / Ryan Atkinson (57): This being Marc's first year playing golf, this will certainly help him learn the game more  by playing each week. The first and 2nd holes took a huge toll on his round, getting stung by back to back quads. It didn't get much

To continue his downward spiral. A final quad and then doubles on the final two holes. A very gallant try Marc. Ryan dropped three strokes off last weeks round, but still limped into the 19th hole with a (57). Hole number six did the most damage for one hole, as it cost him an extra four strokes. He added four doubles and two triples that did the rest of the damage to his round. The only salvaged hole was #7, where he took a bogey. A very good try Ryan.

Team #B7: Dave Stevenson (54) / Mike Marihugh (47): Dave turned it around in week 6, coming into the clubhouse with a (54). After taking a triple on #1, and double on #2, he bogeyed his way through the next three holes. Hole number 6 has a certain way of beating up the players and it did that to Dave as well as he took a quad. He took doubles the rest of the way out, but still posted a decent round. Nice job Dave.

CHAD WOOLMAN LEADS THE 'B' FLIGHT INTO THE CLUBHOUSE WITH THE BEST ROUND POSTING A NICE (41). PARTNER MIKE RAJNISH A STROKE BEHIND WITH A (42)!! NICE SHOOTING GUYS!!

Team #B8: Chad Woolman (41) / Mike Rajnish (42): I can say after 6 weeks of play, both Chad and Mike have played some very consistent lower forties rounds. Chad leads the 'B' Flight in with the best round of the night, shooting a very nice (41). Chad stuck in a par on #2, right between double bogeys on #1 and #3. He leveled out after the first three holes. He  jumped on the par train starting on #4 and got off on hole #7. He put in a

bogey on the card on #8 and finished with a nice par on #9. Very nice shooting Chad. Partner Mike came in a stroke off the mark set by Chad as he shoots a nice (42). A very nice par on #1 handicap hole number 1 was followed up by a bogey on the first par 5, #2. Mike took one additional stroke on what his partner did, getting whacked by a par on #4, way to #7. He  finished on a strong note, that point on to finish with a decent round. Good shooting Mike.

Team #B1: Kevin Ressler (55) / Rick Berschbach (45):

Still waiting for Kevin to break out and shoot a lower fifties round. Kevin has been consistent staying up in the upper bracket of the 50's, coming into the clubhouse with a (55). He did knock off three strokes from last weeks round. Back to back triples on holes #1 and #2 pretty much crippled his chances for a lower round. He stuck a bogey in on #4, squeezed between  doubles on #3 and #5. He bogeyed tough back to back triples number #6 and the put on the card on 7 & 8. He did finish with a bogey on #9. Good try Kevin. Rick continues to play steady in the mid forties. He nailed three pars in the round. The first one coming on the first par three, and the second on hole #5 and the last one on hole #8. His only problem hole was number 9. He got bit by a triple. Other than that, Rick played bogey golf. Rick finished his round with a (45). Good round Rick.

Team #B2: Mike Alessi (50) / Dave Benson (53):

Mike turned it around last week, dropping off 7 strokes from last week, coming into the 19th hole with a round of (50). Four holes took its toll on his round. He took doubles on hole #3 and hole #5 and #7. The biggest deficit came on #9, that clipped him for a triple. He played bogey golf the rest of his round. Good round Mike. Keep up the good shooting Mike. I am

still wondering who Dave had play for him in week 6 as his score didn't reflect his normal low to mid forties rounds. He crawled into the clubhouse with a uncharacteristic (53).

He put four doubles on the card. Hole #1, hole  #4, #6 and #7. The real damage came on hole number 9, that cost him 6 shots over par that crippled his round from a possible mid to upper forties round putting him in the fifties. It was a very good effort Dave, and I am sure that this week you will make the course pay for it on the back nine.

Team #B3: Steve Fleck (56) / Ernie Danos (HC 51):

It was a rocky start for Steve on #1, that gouged him for a quad right off the bat. He nailed a par on #2 before sticking a double on posted on #3 and the card on #6 and went south for the finished his round #4 between triples #5. He put bogeys on #7 and then his round last two holes. He with a final triple on #8 and quad on #9 and finished with a (56). A valiant effort Steve. Ernie was not able to play league night and handicap score card of (51) was used.
