

TEAM B8 (MIKE RAJNISH & CHAD WOOLMAN) LOSE A LITTLE GROUND AS TEAM B7 (MIKE MARIHUGH & DAVE STEVENSON) HAVE SUBS THAT MOVED THEM 2 POINTS CLOSER TO THE TOP!!

Team #B7: Mike Marihugh (Sub Nate Hood-44) / Dave Stevenson (Sub Billy Alessandrini-43): Just a quick note that Dave Stevenson's health has taken another set back again.  Not only his eye problem, but also other issues have arisen and he will have to bow out of the league for the balance of the season. Mike has retained a permanent replacement to take over for Dave this season. The player taking over for Dave is **Angel Woodruff**. We welcome him to the league and will continue to keep Dave Stevenson in our prayers for healing.

 Both subs played well helping to move Mike and Dave 2 points closer to the top. Nate (subbing for Mike Marihugh) got bit by three doubles and a triple that took his round down. He nailed pars on 12 and 14, then proceeded to drained a birdie putt on #9. That dropped off a stroke and came in with a (44). Good

shooting Nate. Billy filled in for Dave Stevenson and came into the clubhouse with a nice (43). Billy played bogey golf for the first two holes on #10 and #11 and then nailed back to back pars on the next two holes. Billy then  bogeyed his way to the 17th hole that clipped him for a double. Billy finished 18 with a bogey. Still a pretty decent round Billy.

Team #B8: Mike Rajnish (44) / Chad Woolman (43): Mike squeezed a par in on #1, sandwiched between bogeys on #10 and #12. Two holes got the best of Mike's  round. Hole #13 stuck him for a double and #17 did him in for a triple. He nailed pars on #15 and #18 to finish with a (44). Good round Mike. Chad played bogey golf for the first two holes then got stung by back to back doubles, coming on the first par three #12

and #13. He nailed pars on #14 and #15. He added two more bogeys before finishing #18 with a par. Chad posted a (43) for the round. Good round Chad.

Team #B1: Rick Bersbach (45) / Kevin Ressler (42): Rick had some real double trouble on the first two holes,  ing back to doubles. He recovered with a couple of bogeys before stopping the bleeding with a par on #14. After a bogey on 15, Rick put his second par on the card on #16. Hole #17 got him for a double and he finished with a bogey on 18. Rick finished with a (45). Good effort and try Rick. Well, talk about tuning

things around, Kevin did that last week. Kevin posted a very nice round of (42). After getting by the first hole with a double, Kevin put together some nice holes. He nailed a par on #11 and then put back to back bogeys on the card.  He recovered with back to back pars on 14 and 15. He added his second double on #16 and parred 17. He finished with a bogey on #18. Very nice round Kevin.

Team #B2: Dave Benson (39) / Mike Alessi (51): Dave posted the best round in the B Flight, coming in at 4 over par. Dave was hot right from hole #10, posting  pars on 10, 11, 13 and 14. Dave rode the bogey train for 3 holes before notching a final par on #18. Great round Dave. As I said a few weeks ago, the golf course would get punished when Dave got the game back in line. Mike struggle a bit on the

first couple of holes, but did manage to drop three strokes off last weeks round. Mike got bit by a triple on #10 followed that with a double on #11 and double on #12. Mike notched a par on #13 and another on #15. Three of the hardest holes on the back took its toll on Mike's round. Hole #14  cost him a triple as did hole #18. He put a double bogey on the card on #17. Mike finished his round with a (51). All in all, a decent round Mike.

Team #B3: Ernie Danos (49) / Steve Fleck (54): Ernie had a fair round, but not like he did 2 weeks ago. He does keep it under 50 coming into the clubhouse with a (49). Ernie  stuck a par in between doubles on #10 and #12. He continued to double bogey 13 and 14 and then nailed his only other par on #15. He finished with doubles

on the next three holes. Good effort and try Ernie. Steve went up 2 strokes from last week, coming into the 19th hole with a (54). Steve opened the round with back to back doubles on #10 and #11. After a bogey on #12, the next two holes put a large dent on his  round. He took a double on 13 and quad on 14. He doubled 15 and then bogeyed 16 before finishing with a double and triple on the final two holes. Good effort Steve.

DAVE BENSON LED THE 'B' FLIGHT GOLFERS INTO THE 19TH HOLE WITH THE BEST ROUND POSTING A [39]!! ANDRE VIGER LEADS THE 'A' FLIGHT PLAYERS IN WITH THE BEST ROUND A [38]!! GOOD SHOOTING BOYZ!!

Team #B4: Larry Ball (49) / Norm Giraud (53): Please keep Larry in your prayers. He is still having some breathing problems and ended up leaving the course early last week. He at this point  relayed that until he gets this condition under control, he cannot continue in the league. We used a handicap calculated score card to his finish his round and tally up the points earned. He was credited with a (49). Norm struggled this week, going up three strokes from the previous week. Hole #10 was all it took to take the round up in score. He put a quad on the card on #10, then bogeyed 11. After a double on 12 and  bogey on 13, #14 took its toll again on the round with a quad. He added back to back bogeys. Norm came in with a (53). Good try Norm.

Team #B5: Dan D'Amato (40) / Joe DePasquale (60): Dan comes into the watering hole with the second best round of the 'B' Flight posting a 5 over round of (40). Dan almost split the card up with bogeys and pars. He nailed four coming on 11, 13, 16  and 18. The balance of his round was filled with only bogeys. Very nice shooting Dan. Joe knocked off 4 strokes from last week as he came into the 19th hole with a round of (60). Joe got beat up on the first four holes with two doubles and two triples.  Hole #14 did the most damage as it cost Joe an extra 6 shots. He finished his round with three doubles and a triple on #17. A valiant effort Joe.

Team #B6: Marc Blair (51) / Ryan Atkinson (Sub Alfonso Rushin-(63): Marc turned his rounds around with a nice (51) dropping 8 strokes off his previ-

ous round. He got bit by #10 for a triple and then added a double on the par 3-12th. He bogeyed 11, 13 and 14 before #15 cost him a double. His second triple came on #16 and he finished with a bogey on tough #17 and a double on 18. Good shooting Marc. Ryan was absent and Alfonso subbed for him. His card looked like a battle zone, taking quads on the 10th and 11th holes. He got caught up on the triple train as he  posted the next four holes with 12 extra strokes. He squashed a quad between doubles on #16 and 18. A valiant effort Alfonso.

Team #A2: Andre Viger (38) / Keith Nickel (46): Andre posted the best round of the night in the 'A' Flight, coming in 3 over par with a  (38). Andre nailed a birdie on #13 to eliminate one of the extra strokes he picked up on the double on #14. He nailed pars on four straight holes starting at hole #15. He parred 5 **continued below left**

holes and bogeyed the other two. Great round Andre. Keith continues to improve week by week and comes in with a decent round of (46). Three triples put  the crunch on his round, costing him 9 extra shots on his card. He tripled the 10th, 14th and 17th. Yep, the three toughest holes on the back nine. He put pars on the card on #13 and #16. He nailed a birdie on the par 5-18th hole to reduce on extra stroke. His other three holes produced bogeys. Good round and shooting Keith.

Team #A3: Warren Hood (42) / Wayne Davidson (47): Warren posted his second (42) in a row with another nice round. Warren got stung with a tough triple on hole #10. He put together  pars on 11, 13, 14 and 15 taking a bogey on both par threes. He finished 17 and 18 with back to back bogeys. Very

nice round Warren. Partner Wayne had a tough night, limping into the 19th hole with a (47). It looked shaky from the start with a double on #10. He nailed back to back pars on #11 and #12 followed by a bogey on #13. Three holes added too many additional strokes to his card. #14 and #18 cost him  triples and #17 added another two strokes for a double. He put one more par on the card on #15. A very admirable try Wayne.

Team #A4: Mike Littleton (39) / Justin Littleton (42): Both players had exceptional

rounds last week. Mike posted the second best round of the night in the 'A' Flight with a very nice 4  over par (39). He opened #10 with a bogey and then took the par train for 3 holes. After #14 clipped him for a bogey, Mike removed it with a birdie on #15. His only double came on #16. He finished with a bogey on #17 and par on #18. Great shooting Mike. Justin dropped his round down by one for the third time in a row. Justin's round was bogey-par for the first 7  holes. He nailed the pars on #'s, 11, 13 and 15. He stuck in bogeys in between on 10, 12, 14 & 16. The 17th put a dent in his round with a bogey, but 18 bit him for his only double. Very nice shooting Justin.

TEAM #A6 (DAN & JOHN) LOSE A LITTLE GROUND AS TEAM #A1 (KIRK & BILL) GAIN 2 POINTS ON THEM IN LAST WEEKS ROUND!!

Team #A5: Ray Ressler (43) /

Walter Wnuk (50): Hole #10 did the most damage to Ray's round, posting a triple bogey on the hole, as he came into the clubhouse with a round of (43). He put a double on the card on #12 with bogeys on 11, 13 and 14. He recovered with four straight pars starting on #15 and finishing the par run on #18. Good round Ray. Walter has been hovering around the fifty mark on his rounds, and came in with a (50) last week, knocking off a stroke from the previous week. Hole number 14 did triple damage to his round. He nailed his only par on #12. The double bogey train popped up for Walter on #15 and didn't end until he got off on 18. He added a couple bogeys. Good effort and try Walter.

Team #A6: Dan Wicker (41) /

John Grewe (43): Dan went up a couple of strokes from last week, coming in with a (41). Dan took a bogey on #10 and then parred his way on the next two holes.

Hole #13 clipped him for his only double. He parred 14 and 16, and bogeyed the other three holes. Good round Dan. John had his difficulties on the back nine last week, after coming off a par round, John went up 7 strokes and came into the watering hole with a (43). John nailed two pars in his round, one on #11 and the other on #15. John got stung by a lone double, coming on hole #13. The rest of the card was filled in with bogeys. Good try John.

Team #A1: Kirk Cejmer (43) / Bill Marsack (45):

Kirk put a round of (43) on his card for the 2nd week in a row. Kirk got bit by two doubles, one on 15 and one on 16.

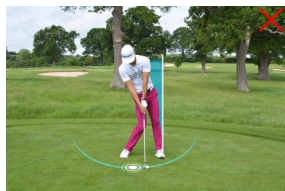

Kirk nailed a lone par on #18 to go with a birdie on tough hole #10. The rest of his card, the other 6 hole, were filled in with bogeys. Still a nice round Kirk. Bill might have had a better round had it not been for hole #10.

That hole alone cost Bill 4 extra shots.

The only other problem hole came on hole #14, one of our favorite holes. There he put a double on the card. Bill nailed 3 pars. Both par three's and #18. Bill shoots a (45). Good round Bill.

3. Hanging Back

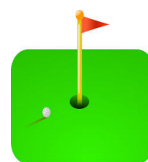

This is one of the most common 'swing faults' we see as coaches and it's basically leaving too much weight on the trail leg at impact, and, as we mentioned in fault 2, your club face plays a huge part in helping that weight shift.

When it comes to starting the downswing, we want the body to move laterally towards the target and rotate so that at Impact the majority of weight is on the lead leg. As you can see from the image, the whole of my lead side is nicely in line. This again helps the golf club bottom out after the golf ball. If you can see daylight between the line and your body then you are considered to be "hanging back", making it hard to get that ball-then turf strike from there.
