He finished strong with three straight pars.

Great and round Andre.

**Team #B8: Mike Rajnish (sub-  
Alex Moses (36) / Chad Woolman  
(sub-Trevor Vallus (40):** Both subs came through for Mike and Chad to help them increase their lead over 2nd place team #B7. Alex Moses (subbing for Mike Rajnish) played a stellar round, coming into the 19th hole with a par round of (36). Alex nailed pars on the first three holes before getting stopped by a bogey on the first par 3, hole #4. Alex then proceeded to nail back to back birdies on #5 and #6. After parring #7, Alex went under par with his third birdie of the round on #8. At this point he was 2 under par until hole #9 clipped his wings with a water shot that cost him a gey, negating his under par round. Great round Alex. Trevor Vallus (subbing for Chad Woolman) also posted a very nice round as he came into the watering hole with a 4 over par (40). Trevor got off to a good round, posting pars on #1, #3 and #4. He bogeyed #2 but took that stroke away with a birdie on #5. He faltered a bit with bogeys on

his final four holes but still had a very nice round. Good shooting Trevor.

**Team #B1: Kevin Ressler (57) /  
Rick Berschbach (44):** Kevin had some real problems on the back nine as he limped in with a (57), a mile over last weeks round of 42. The first two holes seemed to set the trend on his round as he got bit by an opening double and triple on #2. He doubled 3 and then bogeyed 4. Things didn't get any better as he put three triples on the card on the next three holes. He doubled 8 and finished 9 with a par. Good effort and try Kevin. Rick continues to play in the mid forties and comes into the clubhouse with a decent round of (44). Rick nailed an opening par on #1 and then jumped on for 6 holes. He got off to notch a par on #8 and finished his round with a double on #9. A decent round Rick.

**Team #B2: Mike Alessi (51) /  
Dave Benson (40):** Mike posts his second (51) in a row. Mike got stuck with a double on #1 and got a little relief on #2 with a bogey. Hole number three bit him for a triple, and again found a little relief with a par on #4. What really did his round in #5 and #6 was holes with back to back triples. He nailed back to back pars on #7 and #8 before taking another triple on #9. Still a decent round Mike. Ever since Dave got beat up by the course 5 weeks ago, he has been punishing the course. He posts the next best round in the 'B' Flight with a (40). Dave took a double on #1 and parred #2. He nailed four more pars, coming on #4 and then three in a row from hole #6 thru hole #8. The other three holes produced bogeys. Good shooting Dave.

**Team #B4: Norm Giraud (Sub-  
Billy Alessandrini (43) / Larry  
Ball (HC Scorecard):** Larry continues to recover and relayed that with the new medication, he is feeling much better. A sub scheduled to play for him couldn't make it so a handicap card was used to calculate his card against his opponent. Norm was also unable to

make the league night and Billy Alessandrini subbed for him. Billy comes into the 19th hole with his third (43) in a row. Billy took a double on #1 and bogey his way to hole #3. He nailed back to back pars on 4 and 5. He bogeyed the next three holes before finishing off his round with a par on #9. Good shooting and round Billy. Billy has agreed to take over for Larry till he is able to come back if that can happen.

### Team #B5: Joe DePasquale (60) / Dan D'Amato (Sub-Nate Hood (45):

Joe put a bogey on the card on #1, a good score for the #1 handicap hole, but then ran into trouble. Hole #2 dug deep into the round with a quad. Hole #3 wasn't very good as it cost him a triple. Good round Nate.

### Team #B6: Ryan Atkinson (53) / Marc Blair (60):

Ryan had some troubles on the first two holes, putting on back to back triples. He bogeyed 3 and nailed a Hole number 5 him quad. He bogeyed 6 and 7 before finishing with back to back doubles, ending his round with a (53). Good try Ryan. Mark had quad troubles on #1 and #2 and got bit by a triple on #3. After a bogey on 4, he took back to back triples on #5 and #6. He doubled his way to #9 that cost him a final triple. A valiant effort Marc.

### Team #B7: Mike Marihugh (43) / Dave Stevenson– Angel Woodruff (55):

We continue to keep Dave Stevenson in our prayers for healing. Mike continues to play well and posts a nice (43) last week.

After a bogey on #1, Mike took a double on the first par 5. He nailed back to back pars on 3 & 4 and put a birdie on the card on #5. He bogey 6 & 7 and took a ripple on #8 before finishing with a par on #9. Nice round Mike. Angel will probably have to get use to Golden Hawk as he comes in with a (55). The first two holes gave him a quad. He stuck a double between bogeys on #3 and #5. He added three more doubles on #6, #8 and #9 with a double on #7. A very admirable try Angel.
