## **Team #B1: Rick Berschbach**

**(45) / Kevin Ressler (53):** Rick continues to stay around the mid forties rounds, coming in in week 10 with a (45). Rick played bogey golf until he reached the first par three, hole #12 where it cost him a triple bogey. After the bogey on #13, hole #14 clipped him for a double. Back to back pars helped the round till #17 bit him for another double. He finished 18 with a par. Good effort and round Rick. Kevin had a better round last week, knocking off 4 strokes as he came into the clubhouse with a (53). Kevin got away with a bogey on #10 but paid for it with a triple on #11. The next three holes did enough damage to keep him from getting into the clubhouse with a round under 50. A double, triple and double elevated his round score. He bogeyed 15 and 16 before finishing off the round with a double on #17 and triple on #18. Good try Kevin.

## **Team #B2: Dave Benson (HC42) / Mike Alessi (HC53):**

Both players were absent and handicap cards were used to calculate the point totals against their opponents.

## **Team #B3: Ernie Danos (HC51) / Steve Fleck (HC53):**

Both players were absent and handicap cards were used to calculate the point totals against their opponents.

**Team #B4: Billy Alessandrini (Sub-Trevor Vallus (39) / Norm Giraud (58):** Trevor subbed for Billy ( who has taken over for Larry temporarily) and came in with a very nice 4 over par (39). After a double on #10 and bogey on #11, Trevor strung together 4 straight pars. He made back to back bogeys on #16 and #17 and drained a birdie putt on #18. Very nice shooting Trevor. Norm had troubles right from #10, as he limped in with a (58). Hole ten cost him four extra shots and he followed that up with a double on #11. He posted a bogey on #12 and then everything went south again. A double on #13 was followed up with a quad on #14 and back to back doubles on 15

and 16. He tripled #17 and finished 18 with a final double. A valiant effort Norm.

## **Team #B5: Dan D'Amato (41) / Joe DePasquale (HC59):**

Dan turned in a very nice round on the back nine in week 10, coming into the 19th hole with a (41). Dan nailed an opening par on #10 and then got stung by a triple on #11, costing him a chance to drop into the 30's. He bogey 12 and 13 and dropped a par putt in on tough#14. A bogey followed on #15 and then three straight pars to cap off a nice round. Good shooting Dan. Pastor Joe was unable to make the league night and a handicap card was used to match up against his opponent.

## **Team #B6: Marc Blair (57) / Ryan Atkinson (53):**

Marc knocked off three strokes from the previous week, coming into the clubhouse with a (57). The first

five holes on the card looked like a canasta hand showing 5 of a kind. Unfortunately, it cost Marc 16 extra strokes on the card. He bogeyed #15 and #16 before finishing with back to back doubles. Good try Marc. For the second week in a row, Ryan came into the watering hole with a (53). Like many others, hole number 10 seems to cost several of the players several extra strokes and Ryan got bit by a triple. After a couple of bogeys, trouble cropped up again. He put a double on the card on #13, a quad on troublesome #14 and a triple on #15. He bogeyed #16, and doubled the #1 handicap hole #17. He finished his card with a bogey on #18. Good effort and try Ryan.

## **Team #B7: Angel Woodruff (50) / Mike Marihugh(45):**

Angel dropped 5 strokes off his first weeks round as he comes into the clubhouse with a (50). Hole #10 cost him the largest amount on the card, costing *continued below left*

him a quad. He nailed a par on 11 and then bogeyed #12. He doubled #13 and then bogeyed his way to #15. He put double bogeys on the final three holes. Good try Angel. Mike went up 2 strokes from last week as he came into the clubhouse with a (45). Hole #10 did not hurt him as much as others as he put a bogey on the card. He nailed a par

on #11 and then got bit by back to back doubles. He bogeyed #14 and #15 and nailed his second par on #16. He finished with a bogey on #17 and double on #18. Good round Mike.

I WISH I HAD THE ANSWER TO WHY THE BALL DOESN'T GO STRAIGHT-IT CAN'T BE MY SWING CAN IT?

**Team #B8: Chad Woolman (37) / Mike Rajnish (42):** Chad nailed pars on holes #10, #11 and #12 before getting stopped by bogeys on #13 and #14. He resumed his par run on #15 and didn't stop until he finished his round on 18 with four in a row. Great round of (37) to lead all golfers into the clubhouse. Nice shooting Chad. Mike likewise had a nice round as well, coming in with a (42). Mike stuck in a bogey on #11 between pars on 10 and 12. He got bit by back to back doubles on 13 and 14 and leveled out with a bogey on #15. He parred 16, bogeyed 17 and parred 18. Good shooting Mike.

**Team #A4: Mike Littleton (42) / Justin Littleton (45):** Mike continues to stay in the lower forties, coming in to the 19th hole with a (42). Mike was hot from hole #10 thru hole #14 nailing 5 pars in a row. Things got bad with a double on #15 and #16 and #18. He did put a bogey on the card on the #1 handicap hole #17. Good round Mike. For the second week in a row, Justin came into the clubhouse with a (45). Hole number 10 wasn't too bad, posting a bogey, but number 11 dug into his round with a triple. He bogeyed #12 and #13 and then notched back to back pars on #14 and #15. He finished his card

with bogeys on #16 and #17 before putting a double on the card on #18. Good effort and try Justin.

**Team #A5: Ray Ressler (41) / Walter Wnuk (55):** Ray continues to stay near the lower forties rounds, coming in with a (41) in week 10. Ray chipped in a birdie on #10 and bogeyed his way through hole #13. Hole number 14 clipped him for a double. He nailed pars on 15 and 18, sticking in bogeys on 16 and 17. All in all a decent round. Walter had his share of problem holes as four holes did the triple damage he didn't need. The triples came on #10, #11, #14 and #17. Three out of four of the toughest holes on the back. He *continued below left*

## TEAM #A1 (KIRK & BILL) LOSE A LITTLE GROUND TO TEAM #A6 (DAN & JOHN) AS WE ARE (6) WEEKS AWAY FROM OUR FINAL POSITION ROUND IN WEEK 17!!!

**Team #A6: Dan Wicker (38) / John Grewe (42):** Dan led the 'A' flight into the 19th hole with a very nice 3 over par (38). He comes in with the second best round of the night. Dan's card was filled in with 6 pars and 3 bogeys. He put the bogeys on the card on 11, 14 and 17. Great shooting Dan, as he dropped off a stroke from last week's round. John fared much better from the previous week's round, coming into

The clubhouse posting a (42), five shots better. Three holes cost John a shot at coming in under 40, as he got stung by doubles on #10, #11 and #14. John notched 5 pars and one bogey on the balance of his round. Very nice shooting John.

**Team #A1: Kirk Cejmer (46) / Bill Marsack (45):** Kirk had some major problems on hole #10, finding an extra four strokes over par on the card. Kirk nailed pars on holes #11 and #13. He took a double on #18 and the rest of the holes yielded bogeys. Kirk came

in with a (46), a couple of strokes higher than last week. Good try Kirk. Bill also had some troubles in his round, coming in 3 shots higher than last week as he put a (45) on the card. Three holes did the damage that cost him an extra 8 strokes in his round. He took a double on #10 and #18. The hole that caused him headaches was hole #17 where he got bit by a quad. Bill nailed a birdie on #15 to reduce his totals by one. Bill nailed two pars, one on #11 and the other on tough number 14. Good try Bill.

## DAN WICKER LEADS THE 'A' FLIGHT INTO THE CLUBHOUSE WITH A VERY NICE THREE OVER PAR (38). WARREN HOOD 2 STROKES BACK WITH A NICE (40)!!

**Team #A2: Andre Viger (43) / Keith Nickel (49):** Both players had some problems on the back nine in week 10. Andre bogeyed his way to hole #13, where he was able to notch a par and stop the bogeys temporarily. Hole #14 cost him an extra stroke with a bogey, but he recovered quickly with back to back pars. The final two holes did the rest of the damage as he got stuck with back to back doubles, finishing his round with a (43). Good effort Andre. Keith went up four strokes, coming into the 19th hole with a (49). After a bogey on #10, Keith strung together three doubles from #11 thru #13. He bogey his way thru the next 3

holes putting him on #17. Double trouble again popped up on that hole and right behind it on #18. A very good effort and try Keith.

**Team #A3: Warren Hood (40) / Wayne Davidson (45):** After a disappointing triple on #10, Warren put it back together jumping on the par train for 5 holes. He added back to back bogeys before notching his 6th par of the round and finishing with a very nice round of (40). Nice shooting Warren. Wayne dropped a few strokes off

last week's round coming in with a (45). After a double on 10, a bogey on 11, Wayne got bit by a triple on #12. After a bogey on 13, Wayne took another double on our favorite hole #14. He bogeyed #15 and #16 and then nailed a very nice par put on #17. He finished with a very nice birdie on #18. Good shooting Wayne.

## Striking The Ball

### PUTTING TIPS TO HELP YOUR GAME

The putter must stay down through the ball to keep it on line. If it goes off to the right, you may have moved your head. Keep your head still especially on short putts. Before you putt, how do you pick a target? I look at the part of the cup I want the ball to roll over going in the cup. Look only at that part of the cup you want the ball to roll over going in the cup. Once you see it clearly then look away to the ball. Now, focus on striking the ball solid and at the target. Remember the part of the cup you want the ball to roll over going in. Now imagine where the ball will have to come from to go in on that side or part of the cup. This is your line. This is the line you will be trying to putt your ball on, so choose it carefully. Once you have seen the line, find a spot in front of the ball that will aim you in that direction and line up on that spot. Next, think only of how hard - or better yet, the distance - you will have to stroke the ball. **This is most important in golf putting.** It determines how short or how far past you will roll the ball. This is why we practice!

You don't have to look back. Your mind can hold the target without another look. Trust me! This seems like a lot of things to do and to remember. But that's what the routine is all about. Practice for feel and distance, as well as the routine. This is how to get it all right before you putt the ball. **Next week "The Zones Of The Putter"**
