NEW LEADERS IN THE 'B' FLIGHT AS TEAM B7 (MIKE & ANGEL) TAKE 22 POINTS TO JUMP INTO FIRST WITH A 1 POINT LEAD~ TWO WEEKS REMAINING BEFORE FINAL POSITION ROUND !!

Team B5: Dan D'Amato (44) / Joe DePasquale (56): Dan continues to post lower forties rounds, coming into the clubhouse with his second (44) in a row. Dan got bit by two doubles in his round. He took one on #15 and the other on #18. He nailed pars on #12 and #16. The rest of his card was filled in with bogeys. Nice shooting Dan. Partner Joe had a better round dropping 3 strokes off the week 13 round. Joe comes into the watering hole with a (56). Joe got bushwhacked by 4 triples that did the most damage to his round. He had four doubles and a bogey to round out his card. Good effort and try Joe.

Team #B6: Marc Blair (60) / Ryan

Atkinson (Sub-Dave Flood (65): Marc went up a couple of strokes from last week coming in with a (60). Hole #10 was very unkind, and I am guessing that the pond near the green might have eaten one of his golf balls, as he took a quad. He got bit by five triples to go with the quad. That was enough to destroy his round. He added three doubles as well. A valiant effort Marc. Being his first year as a golfer he is making some good progress. Ryan was absent and Dave Flood, a friend of Marc's subbed for him. Dave had some major problems with holes #10, #11, #17 and #18. These four holes pretty much destroyed his round as they cost him an extra 17 strokes. He added three triples and a couple of

doubles to finish off the round. Dave finished with a (65). Good try Dave.

Team #B7: Angel Woodruff (53) / Mike Marihugh (45): Angel & Mike take enough points to vault into 1st place over Mike and Chad. Angel had a little more trouble this week than his previous round coming in with four strokes more posting a (53). Angel nailed his only par on the par 5 - 18th. Holes #10, #11 and #17 clipped him for triples. Hole fourteen did the most damage for one hole as it cost him a quad. He posted bogeys on the balance of his

round. Still a very admirable effort Angel. Mike continues to hover in the mid forties, coming into the 19th hole with a (45). Three doubles made the difference in a much lower round. He nailed a very nice birdie on hole #15 to reduce his round by one stroke. He posted bogeys on the other four holes. Good round Mike.

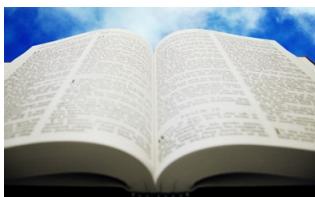

Team #B8: Chad Woolman -Sub Nate Hood (50): Chad was exposed to covid and respectfully avoided contact with the league. We were unable to get a sub for him that night and a handicap card was used to calculate his round against his opponent. Mike was on vacation last week and Nate Hood

subbed for him and had a struggling round coming in with a (50). Nate only posted one par on the card, that coming on the par three twelfth. Back to back triples on 13 & 14, along with another one on #18 did his round in. He added a double and the balance of his card was filled in with bogeys. Good try Nate.

Team #B1: Rick Berschbach (41) / Kevin Ressler (59): Rick got back to the low forties last week, coming into the clubhouse with a very nice (41), taking second best round of the night in the 'B' Flight. Rick took a bogey on #10 and then got hot nailing back to back pars and a birdie on #13. He bogeyed

#14 and then put his only double on the card on #15. He bogeyed his way through the next three holes. Nice shooting Rick. Kevin was able to knock a stroke off last week's round, coming in with a (59). Back to back triples on #10 and #11 was followed up with a par on #12. The next three holed did more damage to his round, as he got bit by a triple, quad and double. After the bogey on #16, the final two holes cost Kevin an additional 8 strokes. Good effort and try Kevin.

NEWS CHRISTIAN LEAGUE 2022

Team #B2: Mike Alessi (55) / Dave Benson (37):

Mike struggled a bit from his previous round, coming into the clubhouse with a (55), four shots higher than his last round. Holes #10, #13, #17 and #18 were the most damaging to his round. He got bit by the quad on #10 and triples on the other three holes. He managed 3 bogeys to go along with two doubles. Still a nice effort and try Mike. Dave reeling from last weeks round made the back nine pay as he led the 'B' Flight players in with the best round in the flight and second best round of the night. Dave nailed a par on #10 and then took his

only double on #11. He bogeyed #12 and then strung together pars on his next 5 holes culminating with a very nice birdie on #18 to reduce the three extra strokes to two over par. Great shooting Dave.

Team #B3: Ernie Danos

(48) / Steve Fleck (59): Well Ernie faltered a bit from last weeks nice round, coming in 5 shots higher this week, posting a (48). Ernie got bit by three doubles in his round. Good old #10, #13 and of course, why leave out hole #17. He nailed a lone par, this coming on #15. Ernie took a lone triple on #14 and the balance of his card was filled in with bogeys. Decent round Ernie. Steve seems to be in a little rut, coming in the last

couple of rounds with high 50's scores. He limped in with a (59), two shots higher than last week. Holes #10 and #11 deflated his round immediately, taking 9 extra shots between the two holes. He bogeyed #12 and then doubled his way to #15, where he got stung by a triple. He put a double on the card on #16 and #17 did the rest of the major damage with a quad. He finished #18 with a welcome bogey. A valiant effort Steve.

Team #B4: Billy Alessandrini (41) / Norm Giraud (53):
continued below left

Billy continues to play well and posts another fine round with a (41). Billy played solid the entire round, except for one double on the card. Hole #17 was the culprit like so many other cards showed. He nailed pars on #11, #13, #16 and #18. The rest of his card showed bogeys. Good round Billy. Norm posted the same score he had

the previous week with a (53). Norm's card was filled in with two triples coming on holes #10 and the other on #14. Can you believe it? We know those are both very tough holes automatically. He managed two bogeys and rest of his card was filled in with double's. Still a valiant effort and try Norm.

You be the judge!! Did it go in !!

TEAM #A6 (DAN & JOHN) HAVE A 10 POINT LEAD OVER NEW SECOND PLACE TEAM #A2 (ANDRE & KEITH) WITH TWO WEEKS REMAINING IN THE SEASON!! CAN TEAM #A6 BE CAUGHT??

Team #A2: Andre Viger (36) / Keith Nickel (48): Andre continues his control over the course, coming into the watering hole with the best round of all players for the night. I can't say too much bad about his card except for #14. Like many others, he got bit by a double. He only had one birdie to offset the overage of 2 strokes as he came into the clubhouse with a one over par (37). Great shooting Andre. Keith is still staying near the upper tier of the forties, as he comes in with a (48). Two triples and three

doubles pretty much destroyed his round. He didn't have any pars, but he did nail a great eagle on #18, to reduce his round total by 2 strokes. Good effort and try Keith.

Team #A3: Warren Hood (42) / Wayne Davidson-Sub Jim Turner (43):

Wayne is recovering at home from a gall bladder attach but assured me that he was doing much better. We just continue to keep him in our prayer's.

Warren continues to shoot well, as he comes into the 19th hole with a decent round of (42). It was on of our favorite holes that did his round in. Hole number 14 clipped his wings for a quad. He nailed five pars, coming on 12 & 13, 15, 16 & 18. The other holes produced bogeys. Good shooting Warren. Jim Turner subbed for Wayne last week and comes into the clubhouse with a nice (43). Jim put two doubles on his card, one on #14 and the other on #18. He nailed his pars on #11, #13 and #15. Nice round Jim.

Team #A4: Mike Littleton (42) / Justin Littleton (45): Mike continues to play well, coming into the 19th hole with a nice (42). He

nailed pars on #12 and #15. Like most of the league, #14 seems to take its toll on the players and Mike suffered like many others. He got bit by a triple. He did find a birdie on #11 to remove one of the extra strokes. All in all (except for #14), a very nice round. Good shooting Mike. Well, is all I can say is that Justin's rounds have been very steady and haven't

fluctuated more than a stroke or two the last 6 weeks as he comes into the watering hole with a (45). Three of the first four holes took their toll on his round. He posted doubles on #10, #11 and #13. Yes, fourteen didn't spare him either as he got stung by a triple. He nailed two pars, one on #15 and the other on #18. He stuck his tee shot on #16, 28 1/4 inches from the hole to se-

cure a very nice birdie. The rest of his card was filled in with bogeys. Good effort and try Justin.

Team #A5: Ray Ressler (42) / Walter Wnuk (49): Ray went up a couple of strokes last week, coming into the clubhouse with a decent round of (42). After a bogey on #10, Ray nailed three pars in a row, coming on #11, #12 and #13. He bogeyed his way to #16, where he was

IF ANDRE DIDN'T HAVE TO PLAY #14, HE WOULD HAVE POSSIBLY SHOT EVEN OR ONE UNDER AS HE POSTS THE BEST ROUND OF THE NIGHT WITH A ONE OVER PAR [36]. DAN WICKER A 3 OVER [38] FOR THE NEXT ROUND OF THE NIGHT IN THE 'A FLIGHT!!! NICE SHOOTING BOYZ!!

able to drain another par. Hole #18 took the wind right out of his sails as he got bit by a triple. Other than that, he played bogey golf. Good shooting Ray. Walter trimmed 6 shots off last weeks round as he comes in under 50, with a round of (49). Holes #10 and #18 were the biggest culprits in his round. Holes number 10 and 18 gouged him for quads. He nailed pars on #15

and #16 and put in a very nice putt on #13 for a very nice birdie. He added some extra shots on #11, #12 and #17 with doubles. Still not a bad round Walter. Good effort and round.

Team #A6: Dan Wicker (38) / John Grewie (46): After three straight weeks shooting forty, Dan came into the clubhouse with the third best round of the night amongst all golfers, posting a 3 over (38). Dan continues to play steady and has great control of his drives and short game. Dan's round consisted of three bogeys and 6 pars. Very nice round and shooting Dan. After three straight weeks in the upper thirties and low forties, John got bit by four dou-

bles that took his round to the upper forties as he shot a (46). John nailed two pars, one on #11 and the other on #17. John finished off his card with bogeys on the balance of his card. Good effort John.

Team #A1: Kirk Cejmer (47) / Bill Marsack (43): Both players matched their last weeks round scores. Kirk again has been struggling the last couple of weeks, as he comes in with his second (47) in a row. Kirk got nipped by back to back triples on #10 and #11 that cost him a much better round. He recovered a bit, with a bogey on the card on #12 and parring hole #13. Hole number fourteen cost him his only double of the round. He notched his second par on #15 and then bogeyed

his way through the next three holes. Nice try Kirk. Bill stayed in the lower forties for the second week in a row, posting another (43). Bill has played well the last three weeks posting some nice scores. Bill stuck a double bogey on #11 between pars on #10 and #13. He bogeyed his way to #15, and posted his second double of the round. A par on #16 was followed up with a double on #17. Bill finished off his round with a par on #18. Nice round and shooting Bill.

Tips For Golf Pitching:

You'll often need to pitch over rough, sand traps, water, and anything that is between you and the green. It is very much like chipping. Golfers easily get both mixed up. Imagine that you are pitching pennies to a specific spot. That is the image you should have in mind while in the pitching process. Once the ball hits the spot, how much will it need to roll or stop to get to the cup?

Don't Blade The Ball

Your left wrist (for right-handed players) should never break during the **golf pitching** process. It should remain firm (straight). If it does not, you will blade the ball.

Center The Ball

Pitching with the ball position in the center of your stance will cause the pitch to check-up some, and then release. Practice this to gauge the distance of release. It will change with the use of different clubs.

Don't Look

In pitching, as in all swings of the

golf club, you must be certain that your head remains still. Many golfers make the mistake of looking too soon to see where the ball went. Don't look.

Swing Through The Ball

Remember to swing through the ball. If you hold on to the shot (don't release the club), you will more than likely leave the clubface open. Let the clubface close naturally.

Our golf outing is scheduled for the 18th of September at Heather Hills Golf Course in Romeo, Michigan. We need to get teams formed for this year end event. I have a sign up sheet in the pro shop by the check in sheet. We need to get everything finalized for Heather Hills by the beginning of September, so. Please fill in your teams as soon as you can. The cost is \$75.00 per player. Please see Ray to pay for the outing before the 10th of Sept. Thank You - MCGL League Representatives.
