DESPITE A COUPLE OF TOUGH ROUNDS TURNED IN BY OUR LEADERS IN THE 'B' FLIGHT-TEAM B8 (CHAD NELSON & JEFF SCHULTZ) STILL HAVE A (10) POINT LEAD OVER OUR NEW SECOND PLACE TEAM B7 (DENNIS WNUK & CHRIS OFFER) !!!

Team B2: Mike Alessi (62) / Dave Benson (42): Mike continues to have some issues in his game, that is being compromised by some health issues. We continue to lift him up in prayer for healing. The only holes that Mike salvaged in his round were both par threes. The 17th and 18th did the most damage as it cost him 11 extra strokes. Mike finished with a disappointing (62). A valiant effort Mike. Dave was able to reduce his round from last week by two strokes and share best round honors in the 'B' Flight with a nice round of (42). Dave posted four pars, one of them on the tough

#17 hole, that usually yields bogeys and doubles. The par 5—18th clipped him for a double as did hole #14. Nice shooting otherwise Dave.

Team B3: Ernie Danos (47) / Steve Fleck-Abs (HC50): Ernie continues to reduce his scores, this week dropping off a stroke from last weeks round. Ernie coasts into the 19th hole with a (47). A couple of doubles got his round started before leveling out with a couple of back to back bo-

geys. Hole #14 took the largest toll as he put a triple on the card. He posted his only par on #16, stuck between bogeys. He finished his round with a bogey on #18. Good shooting Ernie. Partner Steve is still out of town and we expect to see him back next week. Steve's handicap card was a (50).

TWO PLAYERS SHARE THE TOP ROUND HONORS IN THE 'B' FLIGHT~~JIM TURNER & DAVE BENSON~ NICE ROUNDS GUYS!!

Team B4: Doug Busam abs-(Sub Mike Brattain (43) / Marc Blair-Abs (HC58): Doug was able to get a sub Mike Brattain who played a decent round, as he comes into the clubhouse with a (43). Mike played bogey golf most of his round. He was able to nail a lone par on hole #15. He post a double on good old hole #17. Good round and appreciate you filling in Mike. Unfortunately Marc's sub was unable to make it and a handicap scorecard was used to post against his opponents card.

Team B5: Jim Vance (57) / Jim Turner (42): Jim V was able to knock off a few strokes in week 4 from his

first round in week 2. Three holes did the most damage. Holes #10 and #16 as it cost him 4 extra shots on each hole. I am thinking that water may have been the culprit on #10, not sure what happened on #16.. He posted a bogey on #11 and then got stung by three doubles in a row on 12, 13 & 14. The final two holes, #17 and #18 got him for back to back triples. Good try Jim. Jim T posted a very nice round and shared best round honors for the B flight coming in with a (42). Jim nailed three pars, one on #11, one on #16 and the last one on #17. He got bit by a double on #14 and the balance of his card was filled in with bogeys. Nice round and shooting Jim.

Team B6: Mike Kove (51) / Rand Hewitt (Abs-HC57):

Mike continues to have some struggles to get his round down and comes in with the same score as last week, posting a (51). The par four #11 clipped him for a triple. Five doubles did the rest of the damage. He was unable to post any pars. He did manage three bogeys on his card. It was a good try Mike. Rand was absent and a handicap score-card of (57) was used against his opponent.

Team B7: Chris Offer (51) / Dennis Wnuk (47):

Chris was able to knock off four strokes from last weeks round. Chris coasted into the watering hole with a decent round of (51). He started with a bogey on #10, a good start for a tough starting hole. Trouble cropped up on #11, that cost him a triple. He nailed a par on holes

#12 and #16. He got bit by two triples. He put them on his card on #13 and #18. Hole number #17 got him for four extra strokes. Still a good round despite the tough holes that cost him too many extra strokes. Dennis also dropped off some extra shots from last week, coming into the clubhouse with a (47). Dennis put a couple of pars on his card in week 4. Holes #12 and #16, both par threes. The #10 hole did the most damage as he put a triple on the card. He got nailed by three doubles and the rest of his card was filled in with bogeys. Good round Dennis.

Team #B8: Jeff Schultz (52) / Chad Nelson (50):

Both players

struggled in week four, but remained in first place with a 10 point lead. Jeff's first two holes pretty much dictated a tough round with a (52). He took a triple on #10 and a quad on #11. He settled down a bit, posted a double on 12 and bogey on 13. Fourteen took its toll with his second triple. He doubled his way to the final two holes where he drained back to back pars. Good finish Jeff. Chad likewise had quad trouble on both #10 and #11. He put back to back pars on #12 & 13 before #14 jumped up and bit him for a double. He nailed a birdie on #15. He added a double on #16, bogey on #17 and a final triple on #18 finishing his round with a (50). Good effort Chad.

Team B1: Mike Marihugh (53) / Angel Woodruff (Abs - Sub Craig Paul 42):

Mike continues to struggle some in his rounds. He went up four strokes from last week, coming in with a (53). He stuck a bogey in on #11, sandwiched between doubles on #10 & #12. After another double on #13, Mike got ripped by back to back triples on #14 & #15. He managed a bogey on #16 but finished up with back to back doubles. A valiant effort Mike. Angel was absent and Craig Paul subbed for him in week 4. Craig got a par on #10 and then bogeyed his way to #14. There he got beat up by a double. After a bogey on 15, Craig dropped back to back pars on 16 & 17. He finished with a bogey on the final hole. Craig finished with a (42). Nice shooting Craig.

TEAM A8 (DAN D'AMATO & NATE HOOD) MOVE INTO SOLO FIRST PLACE BY THREE POINTS OVER TEAM A7 (MIKE RAJNISH & CHAD WOOLMAN) AND FOUR POINTS OVER TEAM A1 (JOHN GREWE & DAN WICKER)!!

Team A2: Trevor Vallas (50) / Andre

Viger (41): It looks like Trevor doesn't like the back nine too much. He limps into the clubhouse with a (50), 7 shots higher than last week. He put a double on the card on #10 and #12 with a bogey on #11. Trouble struck quickly on #13 and #14 as he made back to back triples. A double on #15 was followed up with back to back pars on #16 & #17. He finished with a double on the par 5-18th. Good try Trevor. Steady eddy Andre comes into the 19th hole with his third (41) in a row. An opening par on #10

was followed by back to back bogeys. After dropping in a par on #13, hole #14 clipped him for a triple. He finished with a par on 15 and birdie on 18, sticking in a couple of bogeys in between. Very nice shooting Andre.

Team A3: Kirk Cejmer (48) / Bill

Marsack (48): Both Bill and Kirk seem to be struggling a bit to start the season. Kirk came into the watering hole with a (48), a shot higher than last week. Six doubles pretty

much beat up his round. He was able to notch 2 pars, one on #11 and the other on #15. He had one lone bogey, that coming on #13. Good effort and try Kirk. Bill had a pretty decent round last week, but went up 4 strokes on the back nine this week. Bill started in the hole with back to back doubles. He notched his first par on #12 and the only other par on # 15. Holes #13 & #18 cost Bill triples. Bill finished with a (48). Good try and valiant effort

DAN WICKER & RAY RESSLER SHARE BEST ROUND HONORS IN THE 'A' FLIGHT AS THEY BOTH COME IN WITH NICE ROUNDS OF (40). GOOD SHOOTING GUYS!!

Bill. I am sure he will rebound this week.

Team A4: Wayne Davidson (51) /

Warren Hood (Abs-HC 42): Wayne struggled more this week than last week, coming into the clubhouse with a (51), 5 shots higher than last week. Wayne got bit by an opening double on tough starting hole #10. After a bogey on #11, Wayne drained a putt on #12 to save par. Hole #13, saw Wayne drain a 30 foot putt to save a bogey on the hole. His next 4 holes did extensive damage to his round. A quad on 14 was followed up with a double on 15 and back to back triples on 16 & 17. Wayne salvaged a bogey on the par 5-18th. Good

try Wayne. Warren had to have surgery to remove a cist and was unable to make it. He could not find a sub so his handicap scorecard of (42) was used against his opponent.

Team A5: Walter Wnuk (51) / Ray

Ressler (40): Walter dropped off 4 strokes from last weeks round, coming into the 19th hole with a (51). Back to back doubles got his round off to a rocky start. He made up one of the extra strokes when he stuck his tee shot close to the hole on #12. He drained it for a very nice birdie. He bogeyed #13 and then got bit by a triple on one of the favorite holes on the back (not) #14. After a double on #15, Walter put in a

putt on #16 for a bogey. Hole #17 did quad damage and 18 cost him a double. Good effort and try Walter. Ray was on a roll, posting pars on his first four holes. After a double bogey on #14, Ray finished off his round with a nice par on 16 and bogeys on the other three holes. Ray finished with a (40) sharing top round honors for the night in the 'A' Flight.

Team A6: Billy Alessandrini (48) / Rick Berschbach (Abs-HC46):

For the second straight week, Billy struggled to get back down into the lower forties. Billy came in with a (48), a stroke higher than last week. Billy opened with a par on #10 and then added three straight bogeys. Hole #14 and hole #18 took the most toll on his round. He put triples on the card. The only other hole that clipped him was the double on #17. It was a very good effort and try Billy. Rick was absent and a handicap scorecard of (46) was used to match up against his opponent.

Team A7: Mike Rajnish (42) / Chad Woolman (41):

Mike duplicated his score from week 2 as he comes into the 19th hole with a (42). After an opening bogey, Mike drained a putt for a birdie on hole #11. After the bogey on the first par three, Mike notched a par on #13. #14 stuck his round with a double and #17 cost him a triple. He nailed pars on 16 and 18 for a decent round. Nice round

Mike. Chad also duplicated his round from week 2, coming in with a very nice 41. Chad notched pars in three of his first four holes. He bogeyed the par three and then got stung by back to back doubles on #14 and #15. He bogeyed the second par three and then finished on a good note with back to back pars. Very nice shooting Chad.

Team A8: Dan D'Amato (50) / Nate Hood (46):

After the first couple of weeks in the lower forties, Dan struggled and posted a round 7 strokes higher than last week, coming in with a disappointing round of (50). His first hole cost him a triple and he added back to back doubles on #11 & #12. Hole fourteen wasn't nice as it cost him a double but #15 clipped him for a triple. After parring #16, Dan finished with back to back bogeys. Good effort and try Dan. Nate

struggled as well, going up four strokes from his previous two rounds. After an opening double, Nate strung together 3 straight pars. Like so many others, Nate got bit by #14 and #15 with back to back doubles. He finished with a bogeys on 16 & 17 and then took a triple on #18. Nate came in with a (46). He and Dan move into first alone with a three point lead.

Team A1: John Grewe (48) / Dan Wicker (40):

John had a terrible round, coming in eight shots higher than last week. John limped into the watering hole with a (48). The bogey on #10 didn't hurt as much as the back to back triples on #11 & #12. He bogeyed his way to #16 where he stopped some of the bleeding with a par. He bogeyed 17 and put a double on the card on #18. A valiant effort John. Dan *continued below left*

Continues to play well and comes in with a very nice (40), tying for the best round of the night in the 'A' flight. Dan started hot, nailing pars on the first three holes. He bogeyed his way through the next three holes before posting his 4th par of the round. Dan finished with back to back bogeys but still a very nice round. Good shooting Dan.
