## TEAM #B7 (DENNIS WNUK & CHRIS OFFER) INCREASE THEIR LEAD TO 28 POINTS WITH A NEW SECOND PLACE TEAM #B5 (JIM TURNER & JIM VANCE)

### **Team #2: Dave Benson (43) / Josh LeBlanc (48):**

Dave started good, posting an opening par on hole #1. But hole number 2 took him an extra shot costing him a bogey. He added back to back pars before the second par 5 did him in with a bogey again. He nailed a par on #6 and finished with a par on #9, but added an extra stroke on the par three and a double on #8. Dave came in with a (43). Nice shooting Dave. Josh had taken over for Mike Alessi due to some health issues that Mike is experiencing. Josh started with an opening double, but staved off a double on #2. Unfortunately, #3 came back and got him for the double. He nailed a par on #4 and

then hole #5 gouged into his round with a triple. It looked like recovery was in the mix as he nailed a par on #6 and birdied number 7. That was short lived as the final two holes cost him a triple on #8 and double on #9. Josh knocked off 5 strokes coming in with a (48). Good effort Josh.

**Team #B3: Ernie Danos (52) / Steve Fleck (58):** Ernie posted the same round as last two week, coming into the watering hole with a (52). Hole number one started him in the hole with a double bogey. He balanced a bit with back to back bogeys on #2 & #3. He notched his only par on #4. The hole #11 cut into his round with a quad. His final four holes were all filling with doubles elevating his score by 8 strokes. Good try Ernie. Steve

Got stung by back to back triples right out of the block on #1 and #2. He nailed a lone par on #3 and followed that with a double on the first par three. After a bogey on #4, things went downhill again. Hole number 5 cost him a bogey but number 6 cost him 5 extra shots. The last three hole did the balance of the round posting a triple on #7, bogey on #8 and quad on #9. Good effort and try Steve.

**Team #B4: Marc Blair (58) / Doug Busam (abs - HC-48):** Doug was absent and a handicap card of (48) was used against his opponent. Marc went up a couple of strokes from his previously played round, coming into the clubhouse with a (58). His opening three holes told the tale. He started with triples on #1, #2 & #3. After the double on #4, Marc got saddled with a quad on #5. Like others, hole #6 took its toll as well costing him three extra shots.

#2 and quad on #3. He added back to back bogeys on #4 & 5 before hole #6 got him for his second quad. He finished with back to back pars on #7 & #8 before

the bottom dropped out again with his third quad of the round. A valiant effort and try Jim V. Jim T is getting his rounds back down into the

lower forties, posting a nice (44). Jim squeezed in a par on #2, sandwiched between doubles on #1 and #3. He nailed his second par on #4 and bogeyed his way through holes 5 & 6. One final par on #7 and then finished up with back to back bogeys on #8 & #9. Good shooting Jim T.

**Team #B6: Mike Kove (50) / Rand Hewitt (59):** Mike dropped a few strokes from last week, coming into the 19th hole with a (50). After an opening double, Mike nailed a par on the first par 5 - hole #2. He posted back to back bogeys on #3 & #4 before the second par 5 and good old number 6 bit him for back to back triples. He finished a bit better posting bogeys on #7 & #8 and finishing with a double on #9. Good effort and try Mike. Rand went up 7 strokes from last week. It was triple trouble on two of the first three holes.

He stuck in a double on the par 5 number 2, trapped between triples on #1 and #3. After a double on #4, Rand got bit by two more triples coming on #5 & #6. He nailed a par on #7 and then finished on a sour note with 5th triple and ended with a quad on #8. A valiant effort Rand.

**Team #B7: Chris Offer (50) / Dennis Wnuk (45):** Chris got off to a slow start, posting a triple on #1 and followed with back to back doubles on #2 & #3. He bogeyed the next two holes and then added another double on #6. He parred #7 and bogeyed 8 before finishing with a double on #9. Chris finished with a (50), a couple shots higher than last week. Good round Chris. Dennis continues to maintain the mid to lower rounds in the forties, coming into the clubhouse

with a (45). Dennis bogeyed the #1 handicap hole and then got bit by a double on #2 as he comes in with a (45). He put back to back bogeys on the card on #3 & #4 before stopping them with a par on #5. He stuck a par on #7 between numbers 6 & #8 before finishing with a double on the last hole. Nice round Dennis.

**Team #B8: Jeff Nelson (50) / Chad Nelson (46):** The first hole took a toll on Jeff's round with an opening triple followed by a double on the first par 5. Both par threes #4 & #7 beat him up for doubles. He posted bogeys on holes #3, #5, #6 & #9. He added a final double on #8 as he comes into the clubhouse with a (50), two strokes less than his last round. Good shooting Jeff. Chad knocked a few strokes off his last weeks

round as well, coming into the watering hole with a (46). Chad opened with back to back bogeys before getting stung by a double on #3. He parred #4 and followed that with a bogey on the second par 5. Hole number 6 cost him a much lower round as he got bit by a triple. He finished with pars on #7 and #9 sticking in a bogey on #8. Good round Chad.

**Team #B1: Angel Woodruff (57) / Mike Marihugh (45):** Angel

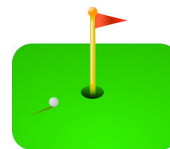

struggled last week coming in 5 shots higher than his last round. His first four holes pretty much dictated a higher than normal round as he opened with a quad on #1 followed by a double on #2 and back to back triples on #3 and #4. He bogeyed the second par 5 but took a triple on #6. After a final bogey on #7, Angel finished with back to back doubles. Angel finished with a (57). Good effort and try Angel. Mike seemed to get his game back last week, posting a nice

(45), shaving off 5 strokes from his previous round. Mike opened with a double but got on a bogey train for the next four holes. He got even with #6 posting a nice par and added a par on the next hole, the par three #7. Hole #8 cost him a bogey and #9 finished off his round with a double. Very nice round Mike.

**TEAM #A1 (DAN WICKER & JOHN GREWE) MAINTAIN A 9 POINT LEAD IN THE 'A' FLIGHT OVER TEAM #A7 (NATE HOOD & DAN D'AMATO) AS BOTH TEAMS TAKE THE SAME AMOUNT OF POINTS IN THEIR MATCHES LAST WEEK!!!**

**Team #A2: Trevor Vallus (abs-HC 45) / Andre Viger (39):**

Trevor was unable to make league night and a handicap card was used to post against his opponent. Andre got back into the thirties after a few rounds in the low 40's. Andre finished with a (39). The only hole that gave him double trouble was hole #4. He opened with a bogey on #1 and then nailed back to back pars on #2 & 3. From hole #5, Andre jumped on the par train and never got off till he finished his round. Posting 5 straight pars. Great round Andre.

**Team #A3: Kirk Cejmer (39) / Bill Marsack (46):**

Kirk has since scrapped his golf lessons and is now back down shooting in the lower 40's and had his best round this season breaking into the thirties with a (39). He nailed one of the few pars on #1 but then got stung by a double on #2. He

notched back to back pars on #3 & #4 before putting a bogey on the card on #5. It was smooth sailing on his next three holes, posting a par on #6 and nailed back to back birdies on #7 & #8. He finished with a bogey on #9 but a great round Kirk!! There was a different Bill at the course last week after posting his best round of the season, limped in with a (46), seven strokes higher than last week. Bill started out decently with back to back pars on #1 and #2. He bogeyed #3 and then nailed his third par on #4. Hole #5 sent his round reeling with a triple and then #6 beat him up for a double. After recovering with a nice par on #7, the final two holes sunk his round down with four extra strokes, posting back to back doubles. A great effort and try Bill.

**Team #A4: Wayne Davidson (52) / Warren Hood (45):**

Wayne fell off his round from last week by 7 shots, coming

into the 19th hole with a (52). The first hole took him for a double and then went back to back with bogeys on #2 & #3. It was nothing but double trouble from that point on as each hole he played costed him doubles. He jumped on the doubles train on #4 and couldn't find the exit to get off with 6 straight doubles that hurt his round tremendously. A valiant effort Wayne. Warren also had his troubles, but still hovering in the mid to low forties. Warren nailed a par on #1 and followed that with a bogey on the first par 5, hole #2. Hole #3 cost him a double. He bogeyed his way through the next three holes taking him to #7 where he stopped the bogeys with a par. He finished on a low note with a double on #8 and bogey on #9. Still an admirable round and try Warren.

**Team #A5: Walter Wnuk (44) / Ray Ressler (42):**

Walter posted his best round of the season coming in with a very nice (44): After opening with a bogey, Walter got bit by a double on #2. After a par on #3, Walter posted back to back bogeys. He nailed back to back pars before stopping with a double on #8. He finished a stroke better on #9 with a bogey. Very nice round and shooting Walter. Ray staying in the lower forties for the second week in a row, coming into the clubhouse with a (42). Ray started with his normal bogey on #1 and then nailed a par on #2. Back to back bogeys on #3 & #4 led to his second par on #5. He finished with bogeys on #6 & #7 before posting finishing with a par on #8 and bogey on #9. Good round Ray.

**Team #B6: Rick Berschbach (47) / Billy Alessandrini (47):**

Rick knocked off four strokes of last weeks round coming in with a (47). Rick opened with back to back bogeys before getting bit by a double on #3. He then got back into the groove with back to back pars on #4 & #5. Holes #6 & #8 took their toll on his round as both cost him triples. He finished with bogeys on #7 & #9. Good round Rick.

He bogeyed his way to #7 where he nailed his second par. After the bogey on #8, Billy got saddled with a triple on #9. Good try Billy.

**Team #A7: Chad Woolman (38) / Mike Rainish (46):** Chad continues to play solid golf coming into the watering hole with a 2 over par (38) Chad was playing one under par through the first 5 holes, nailing four pars and a birdie on #5. Hole #6 and #7 cost him back to back bogeys

before notching a par on #8. He finished with a bogey on #9. Great shooting Chad. Mike continues to struggle some, coming in a shot better than last week with a (46). Mike stuck a double on #2 between bogeys on #1 & #3. He notched back to back pars on #4 & 5. After a bogey on #6, it was nothing but doubles from that point on. Starting on #7 and finishing on #9 with 6 extra shots. A very admirable try Mike.

**Team #A8: Dan D'Amato (47) / Nate Hood (43):** Dan played bogey golf through his first five holes before getting bested by hole #6 with a double bogey. He bogeyed #7 and then got stung by

another double on #8. He finished a stroke better on #9 with a final bogey. Very good try Dan. Nate bettered his score by 5 strokes last week coming into the 19th hole with a very nice (43). Nate started with a bogey on #1 and nailed back to back pars on #2 and #3. After a bogey on #4, Nate stuck his third shot close enough to nail a birdie and remove one extra stroke. Hole number 6 was very unkind to him as it cost him three extra shots to finish the hole. He finished a bit better with bogeys on his final three holes to post a decent round. Nice round and shooting Nate.

**Team #A1: John Grewe (40) / Dan Wicker (38):** John dropped off a couple of strokes from last week coming into the

clubhouse with a very nice 4 over par (40). After the opening bogey on #1, John strung together 3 straight pars taking him to the par 5 fifth hole. It cost him a bogey, but he made up the extra stroke with a great birdie on #6. He finished with a bogey on #7, double on #8 and nice par on #9. Good shooting John. Dan's round was typical of his fine play. He started with four straight pars before stopping them with a bogeys on #5 and #6. He then proceeded to do what he does well, recovery and that he did. He finished with three straight pars to close out a very nice round. Great shooting Dan.
