TEAM #B2 (NATE HOOD & DAN D'AMATO) CONTINUE TO MAINTAIN FIRST PLACE WITH AN 11 POINT LEAD OVER TEAM #B5 (JEFF SCHULTZ & CHAD NELSON) AND ARE MATCHED UP AGAINST EACH OTHER IN WEEK #4!!

Team B1: Dennis Wnuk (45) / Chris Offer (60)

Despite having continuous shoulder problems that will hopefully be resolved in July when he has surgery, Dennis posted a (45) in last weeks round. Dennis like so many others got stung by a double on #10. He nailed his first of two pars on #11. After the bogey on #12, Dennis got stung by back to back doubles. He bogeyed number 15 and then finished with a par on #16 with bogeys on the final two holes. Good effort and

round Dennis. Chris seemed to really have troubles in his round in week two, going up 6 strokes from last week. The first two holes set his round back 7 strokes right off the bat. After a double on #12, Chris got into more trouble on #13 & #14 with back to back triples. He added double's on 15 and 17 and two more triples coming on #16 & #18. A valiant effort and try Chris.

Team B2: Nate Hood (40) / Dan D'Amato (45):

Nate posted the best round in the 'B' flight with a five over par (40). Nate put a very nice round together. He nailed three pars in a row after his opening double. He took a bogey on #14 and then got stung by a triple on the short par four #15. He finished strong dropping off one of the extra strokes on 15 with a birdie on #16. He finished with back to back pars on #17 & #18 for a very nice round. Good shooting

**NATE HOOD LEADS THE 'B' FLIGHT IN WITH A 5 OVER ROUND OF (40).
DENNIS WNUK & DAN D'AMATO POSTING ROUNDS OF (45)!!**

Nate. Dan started with a triple on hole #10 to get off to a rocky start in his round in week 3. He nailed the par on a nice putt on #11 and followed that up with a bogey on #12. Hole number 13 was costly as he posted two extra strokes with a double. After a bogey on #14, Dan put a par on the card on #15. He finished his final three holes with bogeys for a round of (45). Good try Dan.

Team B3: Ernie Danos (47) / Steve Fleck (51):

Ernie brought his score down by 5 strokes as he comes into the clubhouse with a (47). After an opening bogey,

Ernie got bit by a double on #11. He followed that with another bogey on #12 and then #13 clipped his round for his second double. He put a bogey on his card on #14 and notched his only par on #15. He managed a bogey on #16 and then finished his round with back to back doubles on 17 & 18. Good shooting Ernie. Steve relayed he took some lessons recently and it shows as his rounds are down in the lower 50's as he comes into the 19th hole with a (51). Steve opened with a par on #10 and then bogeyed #11. The next three holes took a huge toll on the round. Holes #12, #13 & #14 cost him six extra strokes as he put doubles on the card.

He settled down some with back to back bogeys before the final two holes put his round in the fifties as he added 7 additional strokes on the card on 17 & 18. Still, I see the improvements in his game and expect to see much lower scores in the rounds to come. Good effort and try Steve.

Team B4: Mike Marihugh (sub Tony Bonanno (54) / Angel Woodruff (57):

Mike was out of town and Tony Bonanno subbed for him last week. Tony started with a bogey on #10 but things went south quickly on #11 that cost him a triple. Hole number 12 was much worse adding an additional 6 strokes to his card. After a double on #13, Tony nailed a par on #14. He bogeyed his next two holes before finishing with a double on 17 and triple on 18. Tony finished with a (54). Good effort and try Tony. Angel was able to shave off four strokes from last weeks round as he comes in with a (57). Angel's round got off to a tough start posting triples on his first two holes, #10 & #11. Hole #12 cost him a double but he was able to put a bogey on the card on #13. His final holes took a massive toll on his round. He took two doubles, one on 14 and one on 17. The other three holes cost him triples as he limped into the clubhouse with a round of (57). A valiant effort Angel.

He shook off the back to back doubles with a bogey on #16. The next hole did the most damage to his round as he put on a triple on the card. He finished with a bogey on the 18th hole to finish his round. Good shooting Bill and welcome to the league.

Team B5: Jeff Schultz (50) /Chad Nelson (abs-HC 48):

Chad is still experiencing some back issues and we hope he can return to play soon. In his absence, there was no sub so a handicap scorecard was used. Jeff comes into the watering hole with a round of (50). He had his struggles in the round last week. It seems like the doubles took over most of his card. The first hole started the mess as he opened with a double on #10. He was able to settle down on #11 posting his first of two pars and added a bogey on #12. Holes 13 & 14 contributed two more doubles to his round. He then proceeded to nail a par on #15. The final three holes added 8 extra strokes to his round. He posted a double on #16 and then back to back triples crippled the rest of his round. It was a good effort and try Jeff.

Team B6: Wayne Davidson (51) / Bill Davidson (47):

After the opening bogey on #10, Wayne got bit by a double on #11. He bogeyed #12 and then trouble cropped up on #13 with a double and #14 with a triple. Hole 15 was a bit better than fourteen as he posted a double. After a bogey on #16, the final two holes cost Wayne back to back doubles and he ended up shooting a (51). It was a valiant effort and try Wayne. We want to welcome Bill Davidson, Wayne's son, to the league as he has teamed up as his father's partner this season. Bill dropped off one stroke from his round last week, coming into the clubhouse with a (47). Bill opened his round with a double on #10. He nailed a par on #11 and then bogeyed 12 before notching his second par on #13. Holes 14 & 15 bit into his round with four extra strokes as he put doubles on the card.
