**TEAM #B2 (NATE HOOD & DAN D'AMATO) INCREASE THEIR LEAD TO 12 POINTS OVER TEAM #B4 (ANGEL WOODRUFF & MIKE MARIHUGH)! TEAM #B6 (WAYNE DAVIDSON & BILL DAVIDSON) JUMP UP TWO SPOTS INTO 3RD!**

**Team #B4: Mike Marihugh (48) / Angel Woodruff (55):** Mike didn't have his best game coming in with three stokes better than last week with a (48). Four holes really hurt his chances for a better round. He posted a lone par, coming on the #1 handicap hole on the front, #1. He got bit by four doubles coming on #3, #5, #8 & #9. The remainder of the holes were filled in with bogeys. Decent round Mike. Angel only shaved off one stroke from last week. His worst hole was #2 that cost him double par. He nailed his only par on #3 and posted two triples that came on back to back holes, #7 & #8. Two doubles and three bogeys rounded out his card. Good effort and try Angel. Angel finished with a (55).

**Team #B5: Jeff Schultz (51) /**  
**New Player Added: Jason**  
**McKeown**): Jeff found a replacement for the injured Chad. Jason McKeown will be joining the league this coming week. Jeff posted the same score as last week as he comes in with a (51). The first three holes pretty much decimated his round as he stuck in a quad between doubles on #1 & #3. He nailed pars on #4 & #8. After a bogey on #5, Jeff added a double on #6 and finished with a triple on #9. Good try Jeff.

**Team #B6: Bill Davidson (53) / Wayne Davidson (43):** Bill struggled from the opening tee shot as he took a triple to start the round. He posted a bogey on #2 and then trouble continued to plague his

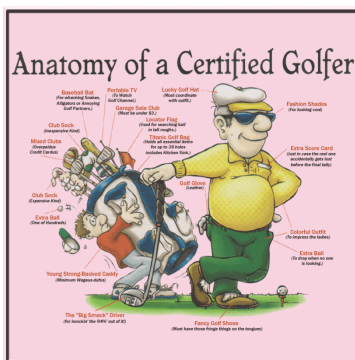

round as he put four straight doubles on the card from three through 6. He stopped the doubles temporarily with a bogey on #7. He finished on back to back doubles on #8 & #9. Good effort and try Bill. Wayne posted his best round of the season and only a stoke off the best round of the night in the 'B' Flight. Wayne posts a very nice (43). After an opening par, Wayne jumped on a bogey train until he got to the 2nd hardest hole on the front, #6. There he nailed a par and then drained a par putt on #7. He finished with back to back bogeys . Very nice shooting Wayne.

**DENNIS WNUK LEADS THE 'B' FLIGHT INTO THE WATERING HOLE WITH A VERY NICE (42) ~ WAYNE DAVIDSON PUTS TOGETHER A NICE ROUND OF (43 ) & NATE HOOD FOLLOWS A STROKE BACK WITH A (44)!! NICE ROUNDS GUYS!!**

**Team #B1: Chris Offer (52) / Dennis Wnuk (42):** Three holes pretty much devastated his round as he came into the clubhouse with a (52), a stroke higher than his last two rounds. Hole #2 clipped him for triple and then the 2nd par 5 beat him up for 5 additional strokes over the hole par. He put a quad on the card on #6. Chris recovered some with a bogey on #8 stuck between pars on #7 & #9. Good effort Chris. Dennis led the B flight into the 19th hole with the best round in his flight, posted a very nice (42). Dennis got bit by two doubles, one on #2 and the other on good old #6. He posted 5

pars in a nice round coming on #1, #3, #4, #7 and #9. The other two holes were filled in with bogeys. Great shooting Dennis.

**Team #B2: Dan D'Amato (48) / Nate Hood (44):** Dan got off to a tough start with back to back bogeys and then got saddled with a back to back doubles. He notched his only par on hole #5. Two more doubles, one on #6 and the other on #8 pretty much cripple his round. He bogeyed the other two holes for his round of (48). Good try Dan. After two straight weeks posting rounds of 46, Nate dropped off two strokes to come into the clubhouse with a (44). He took an opening triple on #1 and added a double on #2. He notched a par on #3 and then bogeyed his way to hole #6 where he nailed his second par. He finished much better than he started as he parred #7 and #9 with a bogey stuck in between on #8. Good finish and round Nate.

**Team #B3: Steve Fleck (51) / Ernie Danos (47):** A few holes cost Steve a chance to get into the forties as he came in with a (51). Two holes took the biggest toll on his round. Hole #4 beat him up for a triple and #9 got him for a quad. He notched his only par on #2. He actually a pretty decent round despite the two tough holes. He double #1 and #5. But the remainder of the holes were filled in with bogeys. Good effort and round Steve. Ernie continues to play steady in the upper part of the forties, coming into the 19th hole with his second (47) in a row. Ernie opened with a double on #1 then nailed a nice par on #2. He added two additional pars coming on both par threes. Holes number 5 & 6 cost him back to back doubles and hole number 8 took the most toll with a triple. The rest of the holes were bogeys. Good round Ernie.

**Team #A4: Jim Turner (51) / Warren Hood (45):** Jim went up strokes from last week as he limped into the watering hole with a (51) in last weeks round. It was a tough round as Jim was unable to post any pars. He got bit by 6 doubles that cost him the extra stokes that put him into the fifties. The remaining three holes were filled in with bogeys. A valiant effort Jim. After his low forties round, Warren has had two rounds back to back in the middle 40's, coming into the clubhouse with a (45's). Warren started well, putting pars on the card on #1 and #3. Both par 5's cost him bogeys but the real trouble maker holes were #4,#6 & #9. Those holes cost him three doubles for six extra strokes. He did manage one more par, coming on the 2nd par three and the additional holes were filled in with bogeys. Good try Warren.

**TEAM A2 (ANDRE VIGER & RAY RESSLER) BREAK THE TIE AT THE TOP AND HAVE A FOUR POINT LEAD OVER 2ND PLACE TEAM A6 (AL ROSSI & DAVID PYCHE).  
TEAM A3 (BILL MARSACK & KIRK CEJMER) DROP FROM FIRST INTO THIRD!!**

**Team #A5: Dave Benson (HC45) / Doug Busam (HC49):** Neither player could make it to golf last week so their opponents played against handicap score cards for the round.

**Team #A6: Al Rossi (44) / David Pyche (43):** Al continues to play steady with his third round of (44). After the opening bogey, Al got stung by a double on #2. He nailed a par on #3 and then bogeyed his way through the next two holes, where #6 clipped his round for his second double. He

put tow more pars on the card. Hole #7 and hole #9 and sticking in a bogey on hole number. Decent finish and round Al. For the second time this season, David went out of the thirties and into the forties. He finished his round with a (43) last week. David started hole #1 with a bogey and then nailed a nice par on #2 with a great putt. David then jumped on the bogey train, starting on #3 and not getting off until he reach the final hole, #9. There he finished his round with a par on a positive note. Good round David.

in his rounds, but finally broke into the 30's after four straight low forties rounds. Dan came in with a 2 over par (38) to lead the 'A' flight in with the best round of the night. Dan came out the tee box hot, nailing pars on the first three holes and then nail a birdie on #4 to go one under par. Even though he got bit by a double on the second par 5 and followed that up with a bogey on #6, Dan finished strong to keep his round under 40. He finished with three straight pars for a great finish. Dan finished with six pars and a birdie. Great shooting Dan.

**Team #A2: Ray Ressler (44) / Andre Viger (40):** Andre and Ray played against the team they were tied with for first and moved into first place alone. Ray has had some roller coaster rounds the last three weeks, coming in with a (44), two strokes worse than last week. Ray opened with back to back bogeys before getting his

one and only double that came on #3. He made two pars in his round, one on #5 and the other on #8. Other than that, his card was filled in with bogeys on the other five holes. Still a decent round Ray. Andre tied for the second best round of the week coming in with a (40) that was duplicated by John Grewe. Andre reduced his round by a stroke from last week to continue his game improvement. He put a bogey on his card on the #1 handicap hole #1. He leveled out for two holes with back to back pars before running into three more bogeys in a row. It started on #4 and continued to #6, where he stopped them with birdie on hole #7. He finished his final two holes with a bogey on #8 and par on #9. Very nice shooting Andre.

***DAN WICKER LEADS THE 'A' FLIGHT BOYS INTO THE CLUBHOUSE WITH A TWO OVER PAR (38). JOHN GREWE & ANDRE VIGER TWO SHOTS BEHIND WITH ROUNDS OF (40)~ NICE ROUNDS GUYS!!***

**Team #A3: Bill Marsack (46) / Kirk Cejmer (51):** Bill Marsack came into the clubhouse with a (46), three shots higher than last week. Bill posted bogeys on the first three holes to get off to a tough start. After the double on #4, Bill nailed a long putt to save par on #5. Hole number 6 did his round in the most as he got stung by a triple on the hole. He then added back to back bogeys on #7 and #8 before finishing on a positive note with a long par saving putt on the final hole. All in all it was a fairly decent round, not his best but not his worst. Good effort and try Bill.

After a very nice round the week before, Kirk had been playing some very steady low to mid forties rounds until last week. Kirk went out of the forties into the fifties as he limped into the clubhouse with a (51), ten shots higher than last week. Hole number one started the downhill trend, as he posted an opening triple. He doubled #2 and posted a bogey on the card on #3. Hole number 4 clipped him for his second double, but he recovered some notching his only par on the second par

5. Two more holes took their toll with a triple on #6 and double on #8. He finished #9 with a bogey. A valiant effort and try Kirk.

## Fundamentals, Fundamentals, Fundamentals

Ask almost any club golfer what the most frustrating thing is about their golf game and they'll tell you it's **inconsistency**...Every golfer has experienced hitting the perfect golf shot. They know what it feels like to strike the ball straight and true, right out the middle of the club. But rarely are they able to hit great shots for an entire 18 holes. Or, if they play a great round of golf one week, it's back to square one the next. What causes such inconsistency? Poor technique. It's nearly always down to an inefficient golf swing that is very difficult to repeat with any level of accuracy and control.

If you haven't spent years ingraining bad habits, it will be much easier for you to build a solid, reliable golf swing around **proven fundamentals**. So make a commitment to really master the proven fundamentals in the lessons and beginner golf tips below. Remind yourself of them every time you practice and re-visit these lessons at regular intervals.
